

Venn Perplexors

The Story

A group of friendly aliens from outer space have landed on Earth. They have some special abilities that humans don't have. 19 of them can use telekinesis to control the movement of inanimate objects. 29 of them have the ability to make people giggle uncontrollably. 9 of them can do both of these things. The same number can do neither.

Puzzle

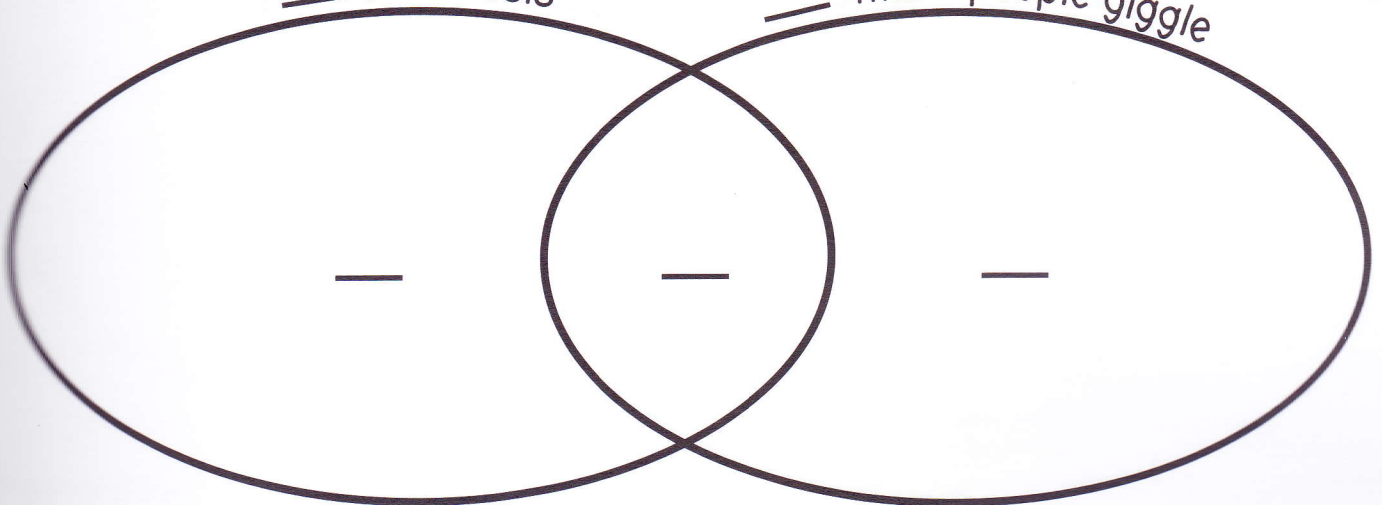

#1

___ aliens

___ neither

___ telekinesis

___ make people giggle

?

How many aliens are in the group? _____
