

# Venn Perplexors

## The Story

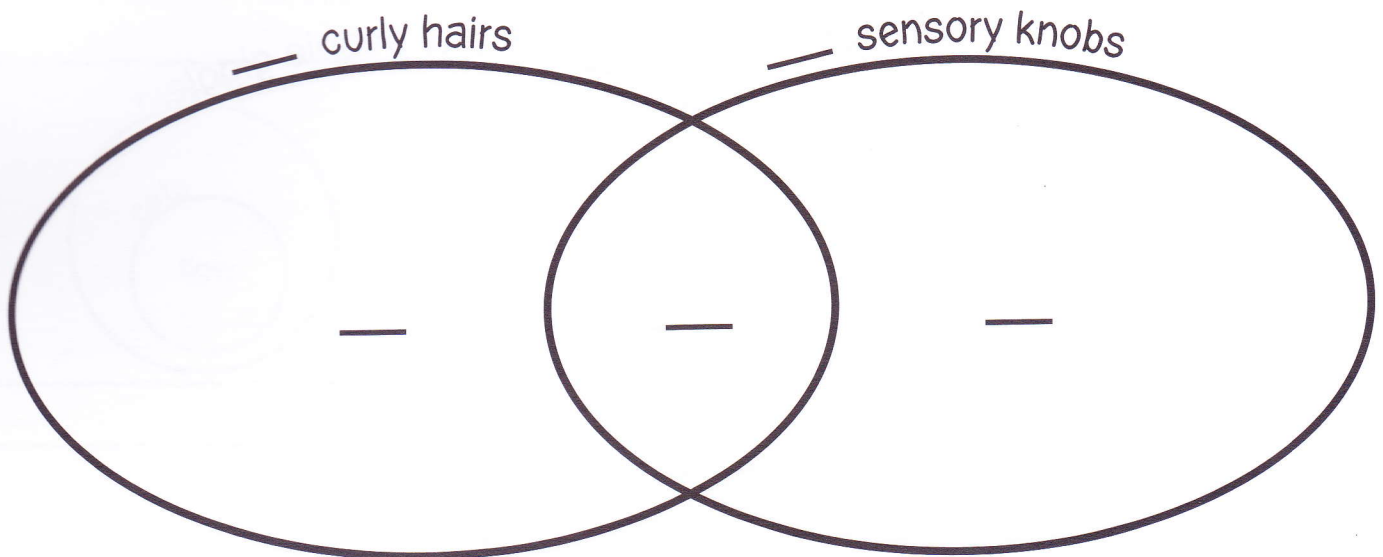

Some of the 48 aliens have other special features. 42 of them have curly hairs on the top of their heads that change colors depending on their moods. 9 of the aliens have special knobs on their heads that allow them to sense other people's emotions. Only 3 of the aliens have neither of these.

## Puzzle

#2

— aliens

— neither

?

How many of the aliens have the knobs but not the curly hairs that change colors? —
