Dear Washington Warrior Family:

Today, we received notification that a Washington **Secondary** Teacher has tested positive for COVID-19. While we must protect the staff's privacy, we believe it is best to communicate transparently with you so you can make well-informed decisions for your family. The individual who tested positive was last on campus on Thursday, October 8.

In addition to the COVID-19 positive staff member following the health department quarantine protocol, we will deep clean and sanitized all affected school areas. District-Leadership will be calling each family affected by exposure. **Exposure** is defined by sitting or standing within 6 feet of the COVID-19 positive individual for 15 minutes or more during a specific day.

Washington Schools will reopen for in-person instruction on Tuesday, October 13, 2020.

Sincerely,

Chris Reynolds
