Medical Emergency Plan

The teacher, coach, or administrator in charge shall call 911 in the case of a potentially dangerous medical situation for athletic events or other school activities held at district facilities.

Shattuck Public Schools may communicate health information that is pertinent to the learning process or for the safety of students and staff to appropriate staff members and parents. Shattuck Schools will ensure privacy for students and teachers through the collection, use and retention of personal information.

This plan will be reviewed and updated annually as appropriate and kept on file with the district and the service providers listed.
