*Memo from Director Parkison*

To: MCS Principals/Supervisors

Good Afternoon:

After careful consideration for the safety of our students, consultation with several local doctors, and the advisement of education attorneys, it is with regret that we announce the cancellation of our elementary and Junior/Senior Proms for the 2019/20 Academic Year. This decision is to protect our students, communities, and our school system.

At this time, our graduation ceremonies will continue as scheduled while adhering to the recommended safety precautions and social distancing guidelines. We will work with each of you to make certain all recommended guidelines are being followed while accommodating our students and their immediate family members during these ceremonies.

Thank you for your support.

Sincerely,

A handwritten signature in black ink that reads 'Lee Parkison'.
