

North Rock Creek School
42400 Garrett's Lake Road • Shawnee, OK 74804

Blake Moody
Superintendent

Dear North Rock Creek Community,

*This is an exciting time to be part of the North Rock Creek Community! The opportunities for NRC students continue to expand and grow stronger each year. First and foremost, we want to THANK YOU for your support of our mission to “**Prepare Students for Success by Educating the Whole Child**”. The State Department of Education and Superintendent Joy Hofmeister believe in NRC as well. They unanimously voted to allow us to expand to an Independent High School District! Plans are underway for a Freshmen Class of 2018-2019!*

We realize that in order to foster youth development and learning necessary for a productive, contributing and satisfying life, North Rock Creek School must provide a school climate that is second to none. For this reason, we are committed to campus-wide facilities improvements and top-notch educational programs. Our Kids' Rock 21st CCLC Program is ranked among the top in the State of Oklahoma! This expanded school day program offers innovative educational services for our students until 5:30 p.m. to accommodate our working community of parents! Our educational programs are continually fine tuned so that we provide instruction that makes a difference. From our innovative, project-based curriculum to our technology driven remedial programs, North Rock Creek School works to stay on the leading edge. Because we realize the importance of parental interaction, you are always welcome on our campus; When you visit, you will see technology in use, Cougar athletes hard at work on the field, music programs that inspire, and a proud group of students and staff that love their school!

Be sure to drop in on the website (www.nrc.k12.ok.us) often for the latest updates and accomplishments of our school. I look forward to great things happening at NRC!

Proud of our Cougars,

Blake Moody
