BOARD OF EDUCATION

Chad Johnson	Doug Zimmerman	Janelle Bible
Stephanie Scott	Angela Jefferies	Adam Forester
	Jeremy Henry	

The board of education has adopted this behavior policy and handbook. This was done to support the academic and behavior standards in school. We believe that a student attends school for the primary purpose of gaining knowledge and skills and further, that students are expected to work to the limit of their individual abilities.

The board of education believes that while education is a right of American youth, it is not an absolute right, since you have to be eligible to attend school and since you must act in certain ways and take certain courses of study, it is a limited right or a privilege. The privilege of attending school is dependent upon your continued performance of the duties and responsibilities required of you.

These duties and responsibilities are:

- Obey the rules and regulations of Belle Plaine USD 357
- Take the required course of study
- Respect the authority of the administration and staff

Every student who has a sincere desire to remain in school, to study, and to profit by the educational experiences provided, will be given every opportunity to do so and will be assisted in every way possible to achieve scholastic success. Therefore, this student behavior policy is not a threat to any student who carries out their responsibilities as defined above. To carry out these responsibilities it is quite easy to conduct yourself as a lady or gentleman, be courteous and respect the rights of others, respect and cooperate with your teacher, and prepare for your classes.

USD 357 MISSION STATEMENT

USD 357 is committed to providing quality schools and to maintaining a partnership with the greater community that will prepare each student to become a lifelong learner and a contributing participant in a changing world community.

BPMS MISSION STATEMENT

Our mission is to provide a safe, positive learning environment where all students are challenged to achieve their personal best and become responsible, productive citizens in pursuit of lifelong learning.

SOCIAL NETWORKING POLICY

All school district employees, faculty and staff who participate in social networking websites, shall not post any school district data, documents, photographs or other district owned or created information on any website. Further, the posting of any private or confidential school district material on such websites is strictly prohibited. School district employees are prohibited from engaging in any conduct on social networking websites that violates the law, school board policies, or other standards of conduct. Employees who violate this policy may face discipline and/or termination, in line with other school board policies and/or collective bargaining agreements, if applicable.

Nothing in this policy prohibits employees, faculty, staff or students from the use of educational websites if such sites are used solely for educational purposes. Access of social networking websites for individual use during school hours is prohibited.

DIRECTORY INFORMATION

For purposes of FERPA, USD 357 has designated certain information contained in educational records as directory information which may be disclosed for any purposes without your consent. Directory information categories may include the following:

- Student's Name
- Student's Address
- Telephone Number
- Student's Picture
- Parent/Guardian Name
- Special Interest areas highlighted on the USD 357 website

Date of Birth
Participation in Sports/Activities
Height/Weight
Grade Placement
Honors & Awards

Students/parents have a right to refuse to permit the designation of any or all of the above information as directory information. If you wish to refuse, written notification must be filed with USD 357, on or before September 1, of the current school year. If refusal is not filed, USD 357 assumes there is no objection to the release of the directory information designated. Upon request, the school district discloses education records, without consent, to officials of other school districts in which a student seeks or intends to enroll.

SEC.9528. ARMED FORCES RECRUITER ACCESS TO STUDENTS AND STUDENT RECRUITING INFORMATION CONSENT: A secondary school student or the parent of the student may request that the student's name, address, and telephone listing not be released without prior written parental consent, and the local educational agency or private school shall notify parents of the option to make a request and shall comply with any request.

ENGLISH TO SPEAKERS OF OTHER LANGUAGES (ESOL)

The district gives a home language survey to all students when they enroll for the first time in the district. If a language other than English is listed anywhere on the form, the student is assessed for English Language Proficiency using one of the following approved assessments: the KELPA-P or LAS assessment. If the student scores less than fluent (or whatever the top band of scores is called) on any of the domains of reading, writing, listening, or speaking, s/he is eligible for ESOL services. This assessment data, along with information on native language ability and past school performance, will be used to set goals for each English Language Learner (ELL).

Parents are notified in the form of a letter that includes the reasons the child is being placed in ESOL, the level of proficiency, the method of instruction that will be used in ESOL, and the parents' rights which include receiving information in the language that is most comfortable to the parent. Parent permission is required for participation in the ESOL program.

Each ELL has an Individual Learning Plan (ILP) detailing their assessment scores, programs they are placed in, the number of hours of instruction that is provided, the teacher who is delivering the instruction, the end of year assessment results of the

Kansas English Language Proficiency Assessment (KELPA), and what should be done next year. Teachers providing instruction to ELLs are endorsed or working on their endorsement.

All students who are identified as limited in their English language proficiency, whether they participate or not in the district's ESOL program, are required to take the Kansas English Language Proficiency Assessment (KELPA) each spring. This test is given as a result of the No Child Left Behind legislation and is used to measure adequate yearly progress of our students' performance. Students must score a "Fluent" on all four domains (listening, speaking, reading, and writing) and the composite on the KELPA for two consecutive years before being allowed to exit the program. After they have done that, the ELLs are monitored for two additional years.

ELLs are observed by classroom teachers, etc. for any indication of regression or not being able to keep up with their peers. Classroom grades, participation in class, KELPA results, etc. are examined to determine whether students are continuing to succeed or may need additional ESOL services. If scores on a language assessment indicate that the student(s) are less than "Fluent", the student may be placed back in the ESOL program.

NOTIFICATION OF RIGHTS UNDER FERPA FOR ELEMENTARY AND SECONDARY SCHOOLS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

- The right to inspect and review the student's education records within 45 days after the day the Belle Plaine Schools receives a request for access.
- Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
- Parents or eligible students who wish to ask the Belle Plaine Schools to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
- One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Belle Plaine Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student:

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))

- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(11))

KANSAS SCHOOL SAFETY HOTLINE (1-877-626-8203)

In cooperation with the Kansas Highway Patrol, a hotline with the toll free number given above is available 24 hours per day, 365 days per year, to give students, parents and community members the opportunity to report anonymously any impending school violence.

ACADEMICS

ACADEMIC LETTERS

Belle Plaine High School students may earn academic letters based on their grade point average. To earn an academic letter, freshman must have a 4.0 GPA at the end of the first semester of their freshman year, sophomores must have a 3.9 cumulative GPA by the end of 1st semester of their sophomore year, juniors must have a 3.8 cumulative GPA by the end of 1st semester of their junior year, and seniors must have a 3.7 cumulative GPA by the end of 1st semester of their senior year. Students transferring to Belle Plaine must complete at least one semester of school in Belle Plaine High School to be eligible for lettering. All letters will be presented at the end-of-the-year awards assembly.

CHEATING/PLAGIARISM

Giving or receiving unauthorized assistance on a test, copying another student's homework or allowing homework to be copied, including computer generated homework or assignments, falsifying laboratory data, submitting work that has been copied (wholly or partially) from a book, magazine, etc. without crediting the author, stealing tests or using tests stolen by another student, witnessing academic dishonesty without reporting it.

- First Offense:** Parent contacted by teacher, office referral, no credit for test or assignment. **ALL Finals.**
- Second Offense:** Parent contacted by teacher, office referral, no credit for test or assignment. **ALL Finals**, and school discipline code for repeated offenses.
- Third Offense:** Parent contacted by teacher, office referral, no credit for test or assignment. **ALL Finals**, school suspension, possible failure of class, or long term suspension.

CLASS CHANGE POLICY

Students desiring to change their schedule must have written permission from their parent(s), the counselor, and principal. Such applications must be made within three school days after the beginning of each semester. Reasons for class changes are limited to improper academic placement or a student's desire for an increase in academic vigor. Students will not be permitted to withdraw from a class after the deadline except in highly unusual circumstances (low grades or wanting to be with friends do not constitute an unusual circumstance).

CLASSIFICATION of STUDENTS

Students are assigned a class level according to the minimum number of credits earned prior to the start of the fall semester, not the number of years of high school attendance. Transcripts of transfer students will be reviewed with respect to required coursework and credits before they are classified. A senior who is not on course to graduate is considered a "**Student not in Good Standing**".

- A student with fewer than 4 credits is classified as a freshman.
- A student who has at least 4 credits and has passed at least one semester of English 9 will be classified as a sophomore.
- A student who has at least 11 credits and has passed at least a semester of English 11 will be classified as a junior.
- A student who has at least 17 credits and has passed at least one semester of English 11 will be classified as a senior. A

student in his/her 4th year of high school with less than 17 credits will be a non-graduating senior and is considered a "Student not in Good Standing."

COLLEGE AND VO-TECH SCHOOL VISITS AND/OR JOB SHADOW OPPORTUNITIES

Prior approval is required for all students. Junior and Senior students will be allowed a total of 4 days postsecondary educational visits/job shadow opportunities. Freshman and Sophomore students will be allowed 1 day for postsecondary educational visits/job shadow opportunities. **The counselor has college visit forms that must be taken to the college for documentation of time spent at the college or university. Failure to document time for the visit will void the absence as excused. All visits must be documented for attendance purposes. Visit forms are mandatory.**

CREDIT RECOVERY - SUMMER SCHOOL, AFTER SCHOOL PROGRAM AND NIGHT SCHOOL

All students need administrative approval before they may enroll in any course. Courses taken without administrative approval will only receive elective credit. Students enrolled in the regular academic program will be governed by the following policies:

- No student may enroll in any course except with prior permission of the high school principal.
- Students who have taken a course during the regular academic year and have failed to meet the requirements to receive credit in the course (twice) may repeat that course for credit in an approved credit recovery program.
- Students who are deficient in credits and who are not on schedule to graduate with their class may be eligible to take courses to bring them back on schedule.
- To facilitate an expanded course load beyond that required for graduation, students may be allowed to take supplemental courses, but these courses will not be allowed for early graduation.
- After school program will be administered through APEX Online learning program. Students will be able to take a semester course for credit recovery for a cost of \$50 per semester credit. The fee is payable before the student is enrolled in the course, and must have the course completed before the end of the semester they enroll in. They will be allowed to enroll in up to two (2) semester long courses per semester. Students will work on these courses after school in the cafeteria during our After School Program from 3:30-4:30pm, Monday through Friday. We will follow the school calendar. It is a **non-refundable fee** for the courses.

EARLY GRADUATION

The USD 357 Board of Education discourages early graduation from high school. It is believed students should expose themselves to the many and varied courses offered at Belle Plaine High School. However, students may pursue early graduation if they are able to develop a plan which allows for completion of all graduation requirements. In order to meet the needs of individual students, the board of education provides the following early graduation process:

- An early graduation application must be filed with the school counselor prior to pre-enrollment of the student's senior school year.
- After the initial application is filed, a conference will be held involving the student, the parent(s), the counselor, and the principal.
- The application will be reviewed by the building principal and approved/declined by the beginning of the student's senior school year.
- Once graduation requirements are met and the student is granted early graduation, the student will not participate in further school activities or functions except the option of graduation exercises, unless participation is denied for appropriate reasons as determined by the building principal. Students choosing to attend and participate in graduation exercises must conform to the same rules and regulations required of regularly enrolled students of the district.
- Students choosing early graduation may remain candidates for scholarships for which they are qualified, in the same manner as other students. It is their responsibility to obtain information and apply for these scholarships.
- Students choosing early graduation are not eligible for class, club, or StuCo offices.
- Students who pursue early graduation will forfeit the opportunity to receive senior class ranking and eligibility for valedictorian/salutatorian honors.
- Students who pursue early graduation are not eligible for school activities, homecoming, and/or prom royalty.

FINAL SEMESTER EXAMS

Final semester examinations will be administered in all courses for all students during the 1st and 2nd semester. Students may be excused from a final exam if they are in **"good standing"**, meet **each** of the requirements listed below, and **submit a final exemption form** to the teacher by the due date for each semester. Students enrolled in dual credit classes must take the final exam as required by Cowley County Community College.

- A cumulative grade of 90% or better for the semester (Per Class).
- No open lunch violations.
- No cheating or plagiarism.

Students are not allowed to take final examinations before their scheduled time. Any exceptions require administrative approval.

Failure to take a required semester exam will make a student "Not in Good Standing" for the upcoming semester. Seniors who do not take required finals will not be allowed to participate in the graduation ceremony!

GRADE REPORTING

A semester system for reporting grades will be used in all classes. Credit will be issued at the end of each semester, by semester. The grading scale used at Belle Plaine High School is:

<u>Percent</u>	<u>Letter Grade</u>
90-100	A
80-89	B
70-79	C
60-69	D
Below 60	F

GRADUATION REQUIREMENTS

English (one each year)	4.0 Credits
Social Studies	3.0 Credits
Mathematics	3.0 Credits
Science	3.0 Credits
Physical Education	1.0 Credits
Computer Applications	.5 Credits
Fine Arts	1.0 Credits
FACS (Career and Life)	.5 Credit
<u>Electives</u>	<u>7.5 Credits</u>
	24 Credits

- Transfer students may, with administrative approval, graduate with fewer credits, if the school from which they transferred required fewer credits than BPHS, providing all BPHS required courses have been passed satisfactorily.
- All students are required to take a full class load (2nd semester seniors may be eligible for a reduced class load). Any other exception will be determined by the administration.
- Seniors should realize that walking with their class at graduation is a privilege and not a right. Any student who is ***"Not in Good Standing"***, **owes fees to the district, or who doesn't meet graduation requirements at the time of graduation** may not be allowed to attend or participate in the graduation ceremony.

HONOR ROLL

Students who do exceptionally well in their scholastic work and are taking at least five subjects, will be placed on an honor roll after each semester.

Superintendent's Honor Roll	4.0 (all A's)
Principal's Honor Roll	3.5 – 3.99
Dragon's Honor Roll	3.0 – 3.49

REMOTE LEARNING GUIDELINES

These are guidelines and expectations that must be followed in order to be considered a full-time Remote Learning student according to the state:

- Students must log six hours and twenty minutes of school activity per day, each day that our school is in session. Each student must complete a Learning Activity Log each day, that must be signed by the student and their parent.
- Remote students must meet with their home room teacher virtually once per week, and will submit their Remote Learning Logs to them during this meeting.
- Remote students must log into the Google Meet for each of their classes throughout the day based on their schedule. The teacher will mark their attendance as they appear on camera. If the student is not on camera or does not meet the expectations for virtual learning, they will not be counted as present.
- Students who elect to attend Belle Plaine High School remotely will attend for that semester and will be ineligible to participate in activities. The purpose for the remote learning option is to avoid exposure and possible infection of the virus; activities pose the same threat of exposure as attending school, if not more so. Thus, remote students will not be able to participate in/attend school activities during that semester.
 - Teachers will utilize alternative assessments for performance-based assignments for students who are remotely learning.
- Remote learning students will have the same due dates, late work policies, and other academic expectations as students attending in-person. Exams will be arranged through the course instructor in order to properly proctor those exams.

SCHOOL USE REGULATIONS

The high school will be open from 7:30 a.m. each morning until 3:45 p.m. No student or groups of students may use the building after the dismissal bell without the presence of a faculty sponsor. The meeting must have the approval of an administrator.

VALEDICTORIAN & SALUTATORIAN REQUIREMENTS

The Valedictorian and Salutatorian award shall go to the students with the highest and second highest cumulative GPA respectively who have met the following criteria:

The students must meet the following curriculum requirements:

- 4 Credits of English
- 4 Credits of Math taken in high school; including an advanced math course (Adv. Algebra or College Algebra & Trigonometry)
- 3 Credits of Science - Biology, Chemistry **and** Physics
- 2 Credits of the same Foreign Language
- 3 Credits of Social Science

*To be eligible for **Valedictorian** or **Salutatorian** awards a student must have attended BPHS two consecutive semesters of their senior year. Students enrolled in early graduation are not eligible for valedictorian or salutatorian awards. Only the high school principal may make exceptions.*

Students shall have no expectation of privacy when using district e-mail, computer systems, or electronic devices. E-mail messages shall be used only for approved educational purposes. Students must use appropriate language in all messages. Students are expected to use this system following guidelines approved by teachers or the administration.

Any email or computer application or information stored in district computers, computer systems, or electronic devices is subject to monitoring by the staff and/or administration. The district retains the right to duplicate any information created by students in a computer system, or any individual computer, or on any electronic device. Students who violate these rules or any other classroom rules relating to computer or electronic device use are subject to disciplinary action up to and including suspension or expulsion from school. (KASB 2013)

ACCESS TO STUDENT RECORDS

Parents or guardians may review their student's records in USD 357 schools in accordance with the Family Rights and Privacy Act of 1974. Release forms for records are on file in the office. Schools may release directory information, such as name, address, and date of birth, unless the parent or guardian requests in writing that such information not be released. Except for directory information, school records are kept confidential.

ANIMALS

Students are not allowed to bring any animal to school, a school activity, or on school property without prior administrative approval.

Any bag used to carry school items or books is considered a book bag. All bags will be sprayed on the outside by a disinfectant when the students are being screened upon their entry into the building.

BREATHALYZER

As a preventive measure, a breathalyzer may be used at any and all school activities or during the school day. Upon reasonable suspicion or random selection, students may be asked to take a breathalyzer test. Students who do not pass the breathalyzer test will be disciplined per school policy. A refusal to take a breathalyzer will be subject to the same consequence as a positive test.

BUILDING HOURS

Regular building hours for students are from 7:35 A.M. to 3:45 P.M. Students should not be in the building outside of regular hours unless a staff member directly supervises them. Before school, students are waiting in the commons area.

Students who attend Belle Plaine schools are fortunate to have transportation provided for them. This privilege contains certain responsibilities that include abiding by the State of Kansas and the Belle Plaine USD 357 school bus regulations. The driver is given authority to ask for and expect discipline and courtesy from each student. **Students will be screened prior to being permitted on the bus. If they fail the screening they will not be permitted on the bus, and parents/guardians will be contacted.** The procedure for disciplining students using improper behavior is as follows:

- 1st Referral by Driver Conference with administrator, possible Saturday School, and loss of riding privileges for up to three days.

- 3rd Referral by Driver Conference with administrator, possible Saturday School, and loss of riding privilege for the semester or for an indefinite period of time.

Bus transportation shall be provided to and from school for those students who qualify. Transportation may be provided by the district for all school activities. Any student who violates the terms of this or any other tobacco policy shall be subject to the discipline codes listed in this handbook.

ATTENDANCE

Research shows that regular attendance is directly correlated with high academic achievement. We ask that parents and students recognize the need for prompt and regular attendance throughout the school year. It is expected that each student will attend classes every day. Only through regular class attendance and a commitment to personal and educational growth can students achieve optimum benefits at Belle Plaine High School. Our attendance policy is not intended to penalize students who have an occasional illness or miss infrequently for approved reasons. It does, however, emphasize that students are accountable for their attendance.

COMPULSORY ATTENDANCE REQUIREMENTS

The administration at Belle Plaine High School will enforce the Kansas State Law on Compulsory Attendance. Students 16 years of age or older may be exempted from compulsory attendance regulations if:

- They have attained a high school diploma or GED
- They are enrolled in a program recognized by the local board of education as an approved alternative education program
- They have a court ordered exemption
- The child and the parent or person acting as parent attend a final counseling session conducted by the school during which a disclaimer to encourage the child to remain in school or to pursue educational alternatives is presented to and signed by the child and the parent or person acting as parent.
- If you choose to learn remotely as a student of Belle Plaine High School, you will attend class each day through Google Meet. You will attend virtually all seven periods per day as you are scheduled. You will be required to complete a Remote Learning Log each day to document your educational activities for that day. You will be required to account for 6 hours and 20 minutes of educational activity throughout the day, that must be logged on the Remote Learning Log. Once a week you will be required to meet with your homeroom teacher virtually, and that is also when you will turn in your week's remote learning logs to your homeroom teacher. This is a semester long commitment, and during that semester you will not be eligible to participate in any school activities.
- In person students will be expected to attend classes in the school building, unless a parent has notified the High School Office that the student will be attending virtually that day due to illness. Students who are ill that attend their classes virtually will be counted as present as long as they complete the Remote Learning Log for credit in order to not be counted as absent.
- In-person students who do not come to school in the morning due to illness will not be allowed to return to school that day, and will not be allowed to participate in school athletics/activities that day.
- Virtual students will follow the attendance policy as outlines in the BPHS handbook. Virtual students will be required to attend classes virtually to be counted as present and will be required to complete Remote Learning Logs for each day completed virtually in order to not be counted as an excused absence.
 - o Remote Learning Logs must be completed daily to document students' remote learning and must be submitted by the end of the day that they attended school remotely. Otherwise, regardless if they attended virtually, if their Remote Learning Log is not submitted by this time, they will be counted as an unexcused absence. Students must log six hours and twenty minutes of educational activity total during remote learning.

EXCUSED/UNEXCUSED ABSENCES

When students are absent, the parent or guardian must contact the high school office on the day of the absence by 9:00 A.M. The office has voicemail; therefore parents can call anytime and leave a message. Parent contact is required regardless of the student's age if the student is living in the parent's home. Parents who do not contact the school by phone need to send a written note with the students when students return to school. All students who do not follow this policy will be counted unexcused. ***Students have two days from the day they return to school to clear up unexcused absences. This policy will affect semester tests.***

When students are absent from school an attempt shall be made to contact the parent or guardian to determine the reason for the absence. The administration shall be responsible for determining if an absence is excused or unexcused. ***It is important for all students and parents to know that an absence that is excused at home does not mean it will be excused at school.***

The following are deemed as valid excuses for being absent:

Excused Absences (Reasons include... but are not limited to)

- **Illness:** Excessive illnesses may require a physician's statement and may not be excused.
- **Medical or dental appointments:** Students will be expected to make reasonable efforts to meet assignment deadlines and communicate with teachers prior to the absence.
- **Death in the immediate family**
- **School-sponsored activities:** Students will be expected to make reasonable efforts to meet assignment deadlines and communicate with teachers prior to the absence.
- **Limited Family Requests:** Students are asked to make reasonable efforts to complete work ahead of time.
- **Students staying home on Self-Quarantine:** Students may be placed on quarantine, medically or self-imposed, students in this situation will have to log 6 hours and 20 minutes of educational activity on their Remote Learning Log in order for this absence to not count towards their total of 10 absences per semester.

EXCESSIVE ABSENCE POLICY

Students will be allowed a maximum of 10 absences per semester. Any absences, which exceed the limit, will be considered excessive and counted as unexcused. Students who miss more than 10 days in a semester will be considered "**Not in Good Standing**" for the remainder of the semester. In addition to being considered a "Student Not in Good Standing" the student will also lose all credits for those class in which they have 10 or more absences in the semester. The student and their parents may appeal to the Attendance Committee to explain the excessive absenteeism and request for their credits to be restored. The following procedure will be followed in regards to excessive absenteeism:

1. Parents will receive a letter home when their child experiences their 5th, 8th, 9th and 10th absence for the semester.
2. Parents and students are encouraged to get doctor/dentist notes when they have appointments, and bring them in to the office when they return to school.
3. Excused absences, as determined by administration, will not count against the 10 absences per semester.
 - a. If you were absent due to a medical/dental appointment and a note is not brought to the office upon the student's return to school, the absence will be categorized as unexcused and will count against the 10 absence limit.
4. Once the student reaches the 10 absences or more cutoff, they will be considered a student not in good standing, and they will lose their credits for those periods that they have 10 or more absences in. Their parents will receive a letter informing them that their child has now been absent from school 10 or more times, that they are now students not in good standing, and they will not earn any credits in those periods they have been absent for 10 or more times in the semester.
 - a. Parents and their student(s) may then appeal for restoration of their credits to the attendance committee.
 - b. These committees will hold a hearing with the parent and their student(s) in the High School Conference room. During these hearings the student(s) and their parent will be able to explain to the committee why they exceeded the limit of absences in that particular semester. They may present evidence, such as doctor/dentist notes, funeral programs, or other such evidence to show where the student(s) was while they were absent.
 - c. The committee, which is made up of four teachers, the guidance counselor and the assistant principal. The committee will be able to ask the student and their parent questions regarding the student's excessive absenteeism, their grades during the semester, and their progress towards graduation during the hearing.
 - d. After the hearing, the committee will render a decision on whether or not to restore the credits, place the student on probation for the following semester. They will then notify the parent by phone and in writing once they have made their decision.
 - e. If the parent disagrees with the decision of the Attendance Committee they could then appeal their decision to the building principal for their review of all evidence. The building principal will then render a decision based on the decision of the committee and the information the student(s) and their parent presented to the committee. The building principal will notify the parent by phone and in writing within three (3) days of the building principal receiving the parent's appeal.

Unexcused Absences

It is impossible to list all of the possible reasons for receiving an unexcused absence. Examples of unexcused absences are oversleeping, shopping, pictures, haircuts, and leaving school without permission. The administration will determine if an absence is unexcused. **It is important for all students and parents to know that an absence that is excused at home does not mean it will be excused at school.**

The consequence for unexcused absences is:

- Students will be required to make up missed class time in Saturday School.
- Only 50% credit will be given for assignments assigned or due if an unexcused absence occurs. Administrative decision.
- Students who are absent from school because of illness and are seen downtown or at school activities during or after school hours may be marked unexcused.
- **Students will lose their lunch privileges, including open lunch, if they deliberately skip a class.**

Absences and Student Activities

- Students who are absent from school must have administrative approval prior to attending and/or participating in school activities on the day of the absence.

- Students must attend 1/2 day of school (11:45am is a ½ day on a regular day of school) to attend or participate in activities. Administrative approval is required for ANY exception.
 - o If parents call a student in for half of the day ill, they are to stay home all day, and will not be permitted to participate in any activities.
- Students are not allowed to participate in or attend ANY activity on the day of an unexcused absence. This would include a Saturday activity if the unexcused absence occurred on Friday.
- If parents call a student in for half of the day ill, they are to stay home all day, and will not be permitted to participate in any activities.

ILLNESS DURING THE SCHOOL DAY

Students who are ill at school must first go to the office before seeing the nurse. All students must see the nurse before signing out to leave school. Failure to do so is not acceptable and will result in disciplinary action.

MAKE-UP WORK FOR ABSENCES

Students will be allowed to make up missed assignments when absent if excused. It is the responsibility of the student to make arrangements to complete assignments with teachers.

Students who are absent from school will be provided the number of days they missed, plus one to make-up work assigned while they were absent. If a student is absent the day an assignment is due, the assignment will then be due at the beginning of the class on the day he/she returns to school. The make-up time begins immediately upon returning to school. Assignments made prior to an absence will be due the day the student returns to class from an absence. Students who are returning from an absence are responsible for picking up all assignments missed while absent. Students are reminded it is their responsibility to keep up their schoolwork when absent from school.

- Any assignment less than 50% complete is considered a zero for semester test purposes, (semester test will be required). Long-term assignments are due on the scheduled date or the date the student returns unless prior arrangements have been made. Only 50% of the credit will be given for assignments assigned or due if an unexcused absence occurs.

Late work will be allowed until the end of each quarter but will not count for more than 50% credit.

MAKE-UP WORK FOR ACTIVITIES

Students absent due to school-sponsored activities need to make arrangements with their teachers for determining due dates for make-up work.

MAKE-UP WORK FOR SUSPENSIONS

Following a suspension, all homework is due on the day the student returns to school.

PERMIT TO LEAVE SCHOOL

A student shall not be released during the school day except upon a written or verbal request from the student's lawful parent or person acting as a parent. Before releasing a student during the school day, the building administration shall verify the identity of the person seeking release of the student. If the administration is not satisfied with the identification provided by the person seeking release of a student, the student's release may be refused. Students shall not be allowed to run personal errands for school employees off school premises during the school day.

SIGNING IN/OUT PROCEDURES

Students must sign-in at the office when arriving more than five minutes late to school. Students who can get to their first period within the 5-minute tardy time should go directly to class. Students must sign-out in the office before leaving the school premises during the school day. Students are to sign-in when they return to school. Failure to sign-in/out will result in a student being considered unexcused absent. Student aides, who leave the building on school business, and at the request of teachers or office personnel, must have a permission slip on file in the office prior to leaving on such business.

TARDY POLICY

Students who are late to class without a pass are considered tardy. Students are tardy when the bell begins to ring. When students are more than five minutes tardy to school, they must report to the office before going to class. Students who are more than **fifteen minutes late to any class will be considered unexcused** for the entire period. Students will be placed on a step plan for eliminating the tardy problem, commencing with the first tardy.

Tardy 1	Warning given by the teacher
Tardy 2	Warning given by the teacher
Tardy 3, 4, 5	Teacher assigned 30 minute detention before or after school.
Tardy 6+	Discipline Referral; Discipline will be determined by administration up to and including in-school suspension, tardies being categorized as unexcused absences, which will count against the student's total absences for the semester.

- Students who have more than two tardies to any class will have their lunch period closed for the remainder of the semester.
- Students who are late to class after lunch will have their lunch closed for the remainder of the semester and will take all finals.
- Tardy policy is per semester.

TRUANCY

Building administrators shall report students who are inexcusably absent from school to the appropriate authority. *Truancy is defined as any three consecutive unexcused absences, any five unexcused absences in a semester or seven unexcused absences in a school year, whichever comes first.* Students who are absent (unexcused) for 2 or more hours of a school day, shall be considered truant. When law enforcement officials return a truant child to school, the administration shall notify the parent or guardian.

ACTIVITIES, ATTENDANCE, AND ELIGIBILITY

Students are required to attend school one-half day (11:45am is a ½ day on a regular day of school) on the day of an event in order to participate in or attend an extracurricular activity any exceptions require administrative approval. - Attendance record of 90% or better
- Be a "**Student in Good Standing**"

The final decision will rest upon the building administration, organizational sponsor, and staff.

For activities the following eligibility rules will be followed:

- You will be on academic probation if you are failing **two classes for one week**.

ACTIVITY CONDUCT HOME AND AWAY

Students, when in attendance at any athletic contest, dance, school program or other activities sponsored by the school, will be required to obey the rules and regulations which govern the regular school day. Away events are treated the same as home events. Failure on the part of a student to comply with these rules and regulations will constitute sufficient grounds for suspension from further participation in such activities for the remainder of the school year. This rule applies to guests of BPHS students as well.

ACTIVITY TRANSPORTATION

The school transportation may be used for out of town activities approved by the administration.

Students are required to ride the school provided transportation to school sponsored out of town activities. Students leaving school on school transportation must return to school on the same transportation. Any variation from this policy must be made in writing by the parent or guardian. The request is to be signed by an administrator BEFORE the activity. Any exception must be granted by the BPHS administration. *All school-sponsored trips are considered an extension of the classroom, therefore all school rules and regulations apply.*

BPHS ACTIVITY POLICY AGREEMENT

Participation in extracurricular activities is voluntary and a privilege. Parents of athletes are encouraged to attend a preseason meeting prior to their students' participation in practices for the purpose of reviewing team guidelines and policies. ***Students will not be in good standing, if ANY fees are owed.***

BREATHALYZER

As a preventive measure, a breathalyzer may be used at any and all school activities or during the school day. Upon reasonable suspicion or random selection, students may be asked to take a breathalyzer test. Students who do not pass the breathalyzer test will be disciplined per school policy. A refusal to take a breathalyzer will be subject to the same consequence as a positive test.

- All school policies, including those for drugs, alcohol, and tobacco, are in effect for dances.
- Students dancing together must dance facing one another.
- A student problem at a dance could result in suspension for all other dances for the remainder of the school year.
- Students who have been suspended or were absent on the day of the dance will not be allowed to attend.

The school nurse coordinates infection control and promotes a healthy, safe school environment. The school nurse coordinates the care of ill or injured students and of students who need on-going specialized health services at school.

MEDICATION POLICY

We only give prescribed medicine at school. Students must bring any prescription medicine to the health room in the original pharmacy container with written instructions from a physician or dentist. If this is impossible, the doctor may phone instructions to the nurse.

Under no circumstances should any student or faculty member give any student medication of any kind. Prescription medication may only be used by the student for whom it is prescribed. Passing a prescription drug to another student could result in the suspension/expulsion of those students.

If medicine is prescribed for 4 times a day, one dose may be taken during school hours. If it is prescribed for 3 times a day, all doses should be taken outside school unless one dose must be taken during a practice or a game, or as otherwise ordered by the physician or dentist.

If students need prescribed medication during a school-sponsored activity such as a field trip or athletic event, arrangements must be made prior to that event. Depending on the students' situation, the medication will be administered by a supervising adult or by the students themselves.

STUDENT ILLNESS OR INJURY

If an illness occurs at school the teacher, principal, or secretary will contact the nurse as soon as possible.

- The nurse will determine whether students should be excused from school. **Students are not to call parents to pick them up unless the nurse or office authorizes them to do so.**
- The parents or guardians will be contacted before students are allowed to leave school.
- Students are NOT to leave school without prior approval of the principal's office. Failure to comply will result in an unexcused absence.
- Students will not be allowed to take other ill students home.
- Under no circumstances are students to spend time in the restroom "ill." They are to report immediately to the office.
- Students may carry over-the-counter medications as long as they are in the original container with only enough doses for one day.

ALMA MATER

1. Far above the Ninnescah waters
 Out on Merchant Heights,
 Stands our noble Alma Mater
 Towering in her might.

Chorus
 Keep the Chocolate and Gold afloat,
 Sing her praises due;
 Hail to thee, Our Alma Mater,
 Hail Old Belle Plaine true.

2. Far above the noisy district
 Of our little town,
 Reaching out to youths and maidens
 Whom her name would crown.

3. High school life is swiftly passing
 Soon we'll leave for aye;
 But we'll ne'er forget the pleasures
 Of our high school days.

BPHS FIGHT SONG

Oh, here's to Belle Plaine High School
 Banners on High
 Gold and the Chocolate
 Ever upward fly, rah, rah, rah!
 Courage and good spirit
 Dauntless we'll try
 Honor and fame we'll bring to Belle Plaine High
