

## Southwest Covenant Athletic Event COVID-19 Safety Guidelines

Welcome to Southwest Covenant facilities. With the current state of COVID-19, the health and safety of all patrons, students, athletes, and families are our priority. In consideration of OSSAA guidelines and Oklahoma City requirements, the following items will be considered and adhered to while visiting our facilities.

1. Face coverings are required for all players, coaches, officials, patrons, and any person entering an **indoor portion of our facility** (except for children under 10 years of age). Admittance will be denied to anyone not wearing a face covering when entering our facilities. For **outdoor activities**, face coverings are recommended, but not required where physical distancing is possible.
2. Due to limited space within our indoor facilities, we are recommending only parents and immediate family attend games in which their child is participating.
3. Locker rooms will be accessible to teams, but we highly recommend visiting teams come dressed and ready to participate for the event.
4. Players, coaches, and officials may remove their masks for competition.
5. For participants, coaches, and officials - no shared towels, clothing, shoes, water bottles, or equipment will be allowed.
6. Gate workers will wear masks and gloves while accepting admission payments.
7. Concession workers will wear masks and gloves while serving or selling items. Please be considerate of those around you while partaking of concession food and beverages, maintaining at least 6' of separation.
8. While we believe good sportsmanship is vital in athletic competitions, we recommend no hand shaking between opposing teams to reduce unnecessary contact.
