

Dear Parents,

Thank you for being patient with us as we have made this transition to At Home Learning. We have had many challenges, but I believe we have been able to address each issue that has come to our attention. If any of your children are struggling and need additional support, do not hesitate to call or email us. Our counselor, Mrs. Gonzales is answering all calls and can help with any issue you may be having.

Progress Reports for 1st-5th grades are available via Parent Portal today, Tuesday, April 7, 2020. Kindergarten report cards are being mailed today. On the right hand side at the bottom of the summary page you will find a green link labeled Interim Progress Report. If you need help accessing Parent Portal, please call the office at 287-3426 Ext: 4000.

A few reminders as we are now into our third week of At Home Learning:

- *Assignments are updated daily Monday-Thursday.
- *Students are encouraged to check-in daily.
- *All assignments for the week are due by 3:30 Thursday.
- * Friday is a catch-up day.
- *Teachers are available to meet virtually each day in real time to guide your children through any difficulties they may be having. We encourage students to check in at least once a week with each of their teachers. The link for their Google Meet is located under their **Classwork** tab in Google Classroom. All the student needs to do is click on the link at the designated 30 minute time slot per grade. The schedule is as follows:

5 th Grade	11:00-11:30
4 th Grade	10:00-10:30
3 rd Grade	2:30-3:00
2 nd Grade	10:30-11:00
1 st Grade	9:30-10:00
Kindergarten	9:00-9:30

Although, we feel that online is the best option for our students, we realize that it comes with challenges for many students. Therefore, some parents have chosen the option of a paper packet. If your child is doing a paper option, please make sure to turn in finished assignments into the white bin located to the right of our front office door by 3:30 each Thursday. Also, please make sure that the child's name is on the packet of work. If you are unable to travel, another option to turn in assignments is to take a clear, close-up picture of your child's work and email to the teacher.

Thank you for your continued support through these trying times.

Sincerely,

Mrs. Corina Garcia
