Welcome back College Street Cougars! Please review the following information regarding the August 3rd registration day for all of our Pre-K through 5th grade students. As a means to limit the number of visitors on campus at any one time and observe social distancing, a staggered schedule for parents and students choosing the **traditional (in-person) learning** option will be followed:

8:00-9:00 a.m.	Last name beginning with A-G
9:00-10:00 a.m.	Last name beginning with H-P
10:00-11:00 a.m.	Last names beginning with Q-Z

We would like for all of our Pre-K, Kindergarten, 1st and 2nd grade students to enter campus off of Highway 41 (by Freedom Automotive). All 3rd, 4th, and 5th grade students should enter campus at the main entrance. Classroom teachers will have tables set up outside under the awnings for you to meet your child's teacher and pick up informational packets that need to be completed and returned.

Online enrollment assistance will be provided to students new to our school. Computers will be provided for parents to complete the online registration. For all new registrants, please bring the following documents: Photo I.D., birth certificate, proof of address, immunization records (Kindergarteners must have a physical).

Online registration is available now and can be completed before coming to school on August 3rd. The required documents mentioned above will need to be uploaded to complete the registration. This is only for students NEW to the school. Please click the link provided to begin the registration process.

Parents that have chosen the **virtual learning** option for their student will need to attend a mandatory meeting at 1:00 p.m. in the cafeteria. Masks are strongly recommended, social distancing will be observed, and temperature checks will be conducted before visitors enter the building.

We are looking forward to seeing you on August 3rd! Please contact us if you have any questions.

Thank you,

Tom Jacobs, Principal

Stephen Puckett, Assistant Principal
