**NOTIFICATION OF CONFIRMED COVID-19 CASE ON CAMPUS**

11/11/2020

Dear Parent/Guardian,

In keeping with Hartley ISD's practices to respond to COVID-19, we are notifying all student families that 3 staff members have been lab-confirmed to have COVID-19. All of these staff members are quarantined. None of the staff members have been at school this week. As you know the Covid 19 cases in the county continue to rise and getting the results on the Covid 19 test results are slow. Due to privacy requirements, we will not be releasing the names of the staff members or details that may identify them.

We are working closely with the local health department on this matter. After careful review, we have determined that the COVID-positive persons who came into close contact with students were wearing masks. Most of the students were also wearing masks, therefore the students will not be quarantined. We will keep you apprised of further updates.

While we do not have reason to believe that those who were not in close contact with the infected individual have reason to be concerned, we ask that you watch for symptoms of COVID-19. **If symptoms appear, PLEASE DO NOT SEND YOUR CHILD TO SCHOOL.**

*Any of the following symptoms indicate a possible COVID-19 infection:*

- Temperature of 100.4 degrees Fahrenheit or higher when taken by mouth;
- Sore throat;
- New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain; or
- New onset of severe headache, especially with a fever.

If you or any member of your family does begin experiencing any of these symptoms in a way that is not typical, we encourage you to contact your physician and the school at (806)365-4458.
