

# TREGO COMMUNITY AFTER SCHOOL CARE

## Pre-Registration

"The mission of USD 208, in partnership with parents and community, is to assist all students in becoming respectful, responsible, productive citizens who communicate effectively and value life-long learning."

Our District Vision is that, "We will accomplish this mission by providing a safe learning environment with dedicated, collaborative, professional staff who deliver a challenging, relevant curriculum."

**Trego Grade School will be implementing an After School Care program this year thanks to a grant provided by the Heartland Community Foundation.**

### **Project Description**

This project will be from 3:30 to 5:30 pm Monday through Friday when USD 208 has a full day, face-to-face session of school. **There will be a limited capacity of students.** The targeted age range is from preschool through fifth grades. Junior high level students that are on an ineligible list may be required to join for that week of ineligibility. The structured time allotment for all students is as follows:

3:30 to 3:45....Check in and snack (daily sign in sheet)

3:45 to 4:30....Educational assistance (homework), enrichment, or STEAM

4:30 to 4:50....Structured team building and/or physical activities (structured recess)

4:50 to 5:30....Reflection and sharing

**This will be a free program for our students that is provided by current or former certified and/or classified educators.** Our targeted audience will be students that have limited daycare options after school, students that need extra academic support (strategies for the Student Intervention Team [SIT] process), possible delayed learning due to COVID-19 related challenges, students recommended by their classroom teachers that could benefit from this service, or by the building administrator.

**(You may pick-up your child(ren) any time before 5:30 pm). This does not have to be an every day commitment! You'll buzz in at the front door of the circle drive and we will bring your child(ren) to the front door when you arrive for pick-up. At this time, we are restricting additional people in our buildings other than faculty, staff, students, or those who have called ahead.**
