Rules for 3 on 3

1. Games will be played on a half court. The first team to reach 21 points or the team ahead when the 12 minute time limit has expired wins. The clock will not stop unless there is an injury. Injuries on the court will be timed by the court official to provide full game time.
2. Regular scoring on field goals. 3 point field goals will be worth 3 and 2 point field goals will be worth 2.
3. A flip of a coin will determine which team gets the ball to start the game.
4. After dead ball (Score, foul, out of bounds) the offense will start play behind the marked line at the top of the key. Defense will check the ball from the free throw line (approximately 5 feet from the offense) (The first pass may not be stolen if it is beyond the 3 point line). Bad ball checks will be the referee's judgment. A checked ball must be passed by the offense to begin play (no dribbling or shooting off the check). The offense has 5 seconds to make a pass or it is a violation.
5. Play by the rules. Traveling, double dribble, fouls, and three seconds will be enforced by the referees.
6. Fouls committed during the game will award the fouled team with 1 point and possession of the ball. Play will resume behind the marked line. Offensive charging fouls or illegal screen fouls will result in change of possession. If the foul is on a made basket, the fouled team will get the 3/4 points and will go to the opposing team.
7. After each live ball change of possession, the team will need to clear the ball past the 3-point line, even on air ball situations.
8. Teams can be made up of different grade levels, but must compete at the highest grade level. Example: A team may consist of a 4th grader, a 5th grader and a 6th grader, but must compete at the 6th grade level.
9. Each team will have 3 minutes to warm up.
10. In the event of a Technical foul, the player will be ejected from the tournament.
11. Be on time and ready to play. Each team should be ready to play 30 minutes ahead of schedule.
12. Bring your own warm up balls. Game balls will be provided.
13. Tie games will be decided by shooting free throws, each team allowed one free throw at a time, alternating sudden death. Each player on team must take their turn shooting in the tie breaker.
14. Coaches will be allowed to help with substitutions. Substitutions can be made on dead balls, or made baskets, only. 1-30 Sec timeout.
15. KSHSAA rules state that no more than three players from the same middle school squad/ or high school squad may participate together on the same team.
16. In any situation where two teams are tied, head-to-head competition between the teams will determine the winner. If more than two teams tie, a point differential tiebreaker will be applied. The point differentials of the teams involved in the tie are totaled. (The maximum that you can beat a team

and still gain an advantage is 15 points.) If two teams are still tied after the application of the formula, we will go back to head to head among those two teams. If more than two teams are still tied after the application of the formula, the point differentials of the team(s) not involved in the tie are added, and the results recalculated. (The score of all forfeits shall be 15-06.) If there is still a three-way tie, we will refer to Rule # 13, and shoot free throws to determine the placement.

17. Any questions call Sean Dreiling @ 1 (303-817-3682) or email Sdreiling@tregoeagles.com. Please send forms to Trego Grade School 612 Junction in care of Sean Dreiling. No later than April 20th, 2021. **Checks made payable to Golden Eagle 6th man.**
