Scholarships will be given on the basis of the student's church involvement, school involvement, community and other involvement, academics, and qualify and preparation of their application. The heaviest emphasis will be placed on church and CYO involvement since receiving the Sacrament of Confirmation. The selection committee will consider how applicants are living out their faith. This includes, but is not limited to, worshiping on Sundays and Holy days, participating in parish activities, and encouraging other youth by example in CYO, Totus Tuus, and other faith programs. It is the hope of the scholarship selection committee and the Catholic committee that students strive to be Catholic young adults, not just young adults who happen to be Catholic.

A selection committee consisting of members from the parish and local Knights of Columbus Council will score the applications using a point system. The recipients will be announced during the TCHS Evening of Excellence. The committee reserves the right not to award scholarships if there are not to award scholarships if there are no applications that fulfill the requirements.

The recipients of the parish scholarship will need to contact the parish priest to make arrangements for the scholarship check to be sent to the school/university of attendance. The recipients of the Christ the King Knights of Columbus scholarship will need to contact Ed Schmeidler, Jr. to make arrangements for the check to be sent to the school/university. Please contact Father or Mr. Schmeidler prior to August 1st.

We congratulate all seniors on their achievements and wish them a blessed, faith-filled future.
