9th-12th Grade Students Method of Instruction

The TCHS plan will take effect on Monday April 6th and extend through Wednesday May 20th. This plan will follow the regularly scheduled USD 208 Calendar as far as days scheduled as *NO SCHOOL* (Good Friday, Easter Monday, April 30, May 1). Seniors last day will be May 13th.

All 9-12th grade students will follow the schedule provided. The schedule provided outlines which days courses will be meeting via Google Meet or Zoom. These times provided are maximum time allowed per course, but may not necessarily be the exact amount of time utilized by each teacher. Each teacher's instruction will vary. Teachers will include links for the meetings in their Google Classroom. Students must be diligent about checking Google Classroom regularly in order to have the most up to date plans, assignments, etc.

Teachers will be utilizing Google Classroom and our student's school assigned email account as the main communication platforms for their courses. Teachers will communicate through Google Classroom by posting assignments, links, documents or other related material. They may also prepare short videos of instruction. They will also create Google Meet or Zoom class sessions, which are meetings that they can hold with students or an entire class, live. If a student has connectivity or technology issues during scheduled Google Meet/Zoom sessions, they should work independently until the next scheduled session. All teachers will have the next week's assignments and plans posted in Google Classroom by Friday at 4pm. Students are expected to review these assignments and plans prior to the next week so they are prepared for the live sessions and have questions and discussion points prepared.

Students must be diligent about checking their school email accounts multiple times per school day.

We are working on the ability to add parents to Google Classroom so they can see what is being assigned, due dates, etc. Teachers will be in touch on this process through the parent provided email address in PowerSchool. If you have an updated or new email address than what is listed in PowerSchool, please go in and update your parent/guardian email address or contact the school office starting Monday March 30.

If a student has an issue logging into their Chromebook or Trego Eagles Google account due to a password issue please call the TCHS Office, 743-2061 or 743-8347. For any defective Chromebook issues, please take them directly to the district office for repair.

This is a new endeavor for all involved. Please be patient with our teachers as they work to bring the best possible education to your students during this time. Our teachers will be very patient with our students as they work through learning in a new way. As we try new things, changes might have to occur, flexibility, communication and patience will be so important during this transition. Thank you in advance!

TCHS Student Retrieval of Materials from Lockers and Chromebooks

TCHS Students will be allowed to retrieve items that are located in their lockers and their Chromebooks if they do not already have them starting Wednesday April 1st. Items will be pre-bagged and labeled for each student. **If your Chromebook is located somewhere other than your locker within the school building, please call the TCHS office, leave a message with your name and where your Chromebook is located by Monday March 30th.*

Students and/or guardians are asked to pull up and park on the north side of the main building in what is often referred to as “freshmen parking,” if you are driving, remain in your car. If you are walking please walk up to the west door that exits on to the practice football field. A staff member will bring your materials to you.

Seniors who have scholarship applications to be turned in are asked to have them bundled and ready to leave with the staff member at the time of material pickup. Other questions relating to scholarship applications can be directed to Mrs. Schoenthaler, jschoenthaler@tregoeagles.com. We would also ask that if you have winter sports uniforms, please wash them, and have them bagged with your name on it to turn in at this time as well. Library books should be returned at this time as well.

Below is a schedule for material pick-up by LAST NAME:

Wednesday April 1st:

A-D: 8:30am - 12:00pm

E-K: 1:00pm - 3:30pm

Thursday April 2nd:

L-R: 8:30am - 12:00pm

S-Z: 1:00pm - 3:30pm

PLEASE DO NOT COME OUTSIDE OF YOUR ASSIGNED TIME! If the time assigned does not work please call the school to determine an alternative plan.

An email directory is listed below for each teacher for your reference.

Mr. Max Befort - mbefort@tregoeagles.com

Ms. Nan Brown - nbrown@tregoeagles.com

Mr. James Burk - jb Burk@tregoeagles.com

Ms. Ashley Calvin -
