In this book of Frontier High School activities we have tried to present a record of the development of transportation in the school and every community as a supplement to the record of our high school programs and the presentation of growth, change, and improvement we offer you. The dedication 1855-56.
DEDICATION

To the people of the community of Yaque who have made this book possible by their understanding, encouragement, and generous assistance toward the Yaque High School and by their endless efforts to better prepare its students for the outside world, this book gratefully dedicated.

The season band mothers club was organized March 19, 1936 for the purpose of aiding the band. The organization is in cooperation with the band director and the band committee, and the state music stadium has made possible the material improvement of the band.

The organization in its first year raised approximately $2000, which was used for uniforms and instruments. The following instruments have been purchased: two saxophones, two clarinets, one flute, one cornet, one set of drums, orchestra bells, and one bass clarinet.

The outstanding achievement of the organization during the year of 1936 has been the raising of $500 to match $500 already given by the Milton Al. Haskins Fund of the American Legion. This sum is to be applied on payment for band uniforms.

The Student Council is the governing body of Teague High School. The officers of the Council are elected by the whole student body. The representatives are elected from their respective classes.

The Council meets every other Friday at intervals of four months to hold a count of the student body in attendance.
DRAMATICS

Henry Neath in the Dramatic Club offers
To a prompt when he appears in the play "A Fine Romance" for the dramatic fest.

Productions Staged in 1939-40 in:
"Gypsy Trouble in Paradise," The Dave Hart and "Uncle Buck's Price." He was also a part of the group producing productions in Detroit, Kansas, Michigan. Texas, Buffalo, and other Midwestern communities.
THE 1937 LEAGUE HIGH SCHOOL FOOTBALL TEAM has by far the least part-time boys and smallest team in District 28 B. Absolutely no
desire of fresh linemen and passing guards. The tradition-
from which in one of the highest schools is formed. On
one (Duffy; Scott and Kinnison), Quarter back and full back (Coffin and 
Kinnison), tenth end, were placed in the All-District team.
