DEDICATION

To those enterprising pioneers who put forth their efforts to make Freestone County what it is today, we the Aerial Staff, dedicate this annual. We salute those who have contributed to the growth and development of our school in the past and to those who constitute the present.

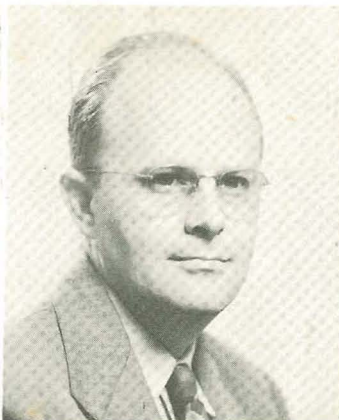

To the students of the future, we hand the torch. May you face this challenge with courage and sincerity of purpose!

To these we respectfully and gratefully dedicate the AERIAL of 1950!

THE STAFF MEMBERS' PRAYER

This annual is my nightmare, I shall not sleep,

It maketh me to stay at school until dark,

It causeth me to gather up paper to sell for it,

It breaketh my soul.

It leadeth me in the paths of insanity for its name sake,

Yea, though I take a weekend vacation,

I shall fear no rest, for the annual is with me.

Its pictures and jingles, they torture me.

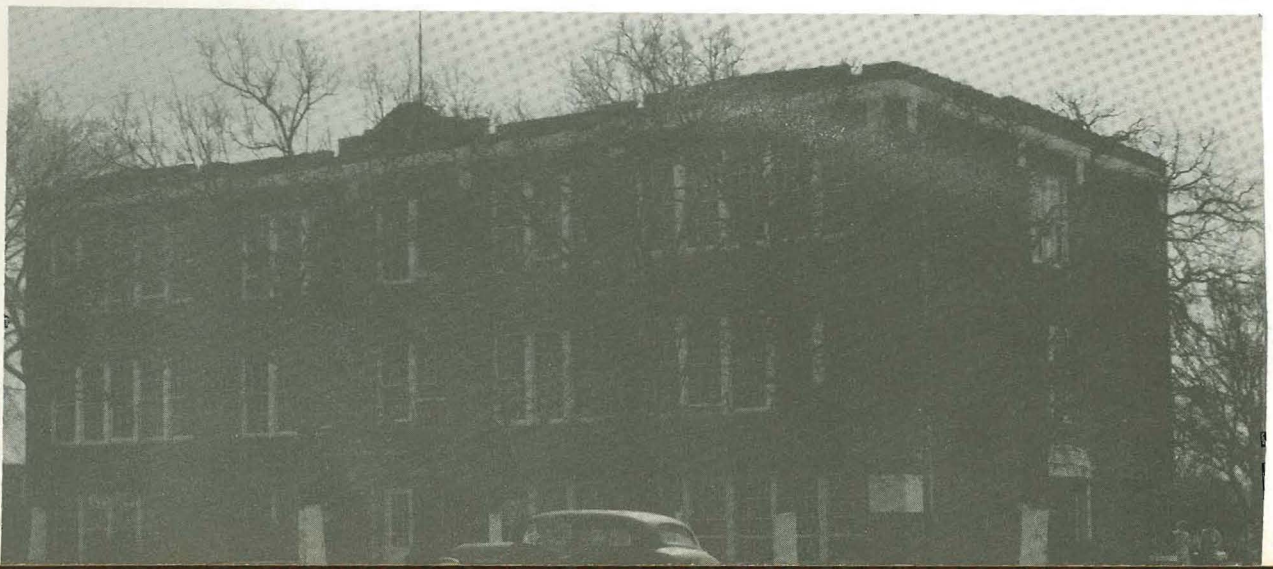

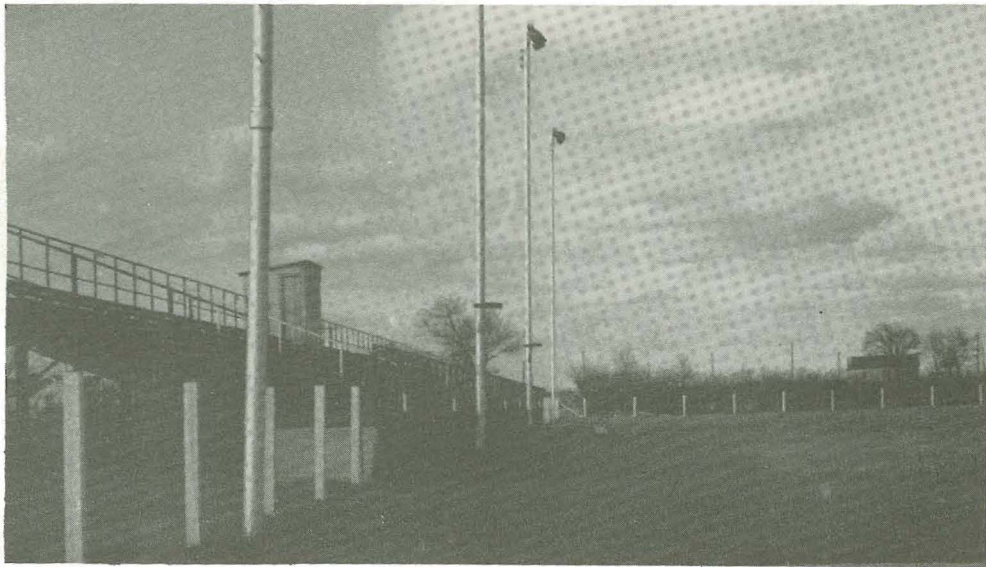

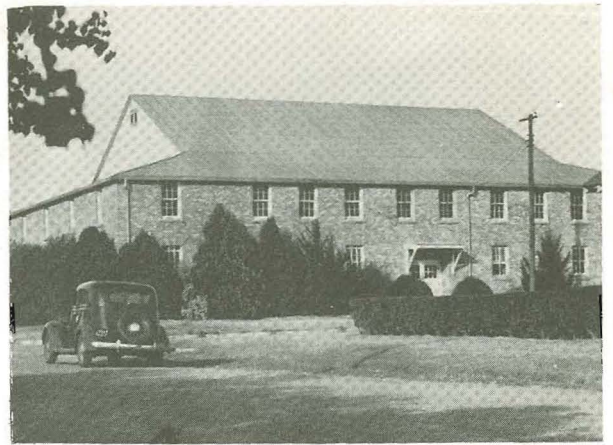

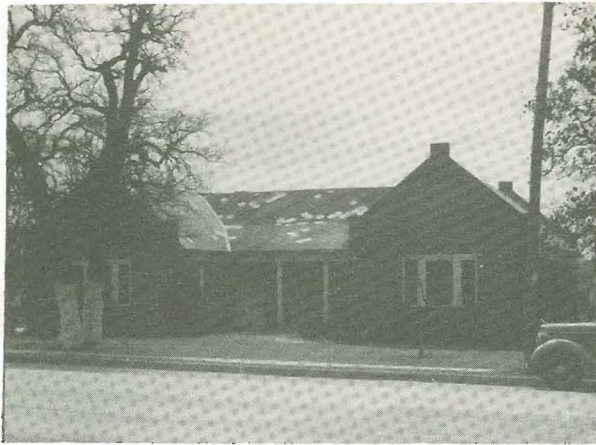

It prepareth a day's work before me in the presence of my sponsor.

It pierceth my head with head-aches; my patience runneth out.

Surely editors and publishers shall follow me all the days of my
life,

But I shall never put out another!

Two hundred and fifty graduates and other former students registered. Many others were present, who did not register.

For the rally, held at the gym at three o'clock, the master of ceremonies was Mr. G. C. Gregory. The welcome address was given by Emma Lou Black and a response was given by Mr. Earle Long. Gifts were presented to various ones: Rufus Sheffield, '10, represented the earliest class; Mrs. Frances Hanley Lynch, '32, Sao Paulo, Brazil, for coming from the farthest point; and Mrs. Billie Harper Aslett, '44, Pettsville, Mass., for coming from the farthest point in the United States; Miss Lelah Weaver, for having served the most years in teaching.

Thirty nine of the school's forty classes were represented. Highlights of the celebration included Teague's victory of 31 to 20 over Marlin and the crowning between halves of the Homecoming Queen, Billie Jean Collie. The high school band, under direction of James. A. Taylor, formed an 'E' as a tribute to the Exes of Teague High and then an 'M' was formed as a welcome to Marlin. The queen candidates, Mary Elizabeth Senter, Shirley Barger, Doris Inderman, and Billie Jean Collie, were brought onto the field in a convertible driven by Bobbie Fulcher, Vice-President of the Senior class. The queen was crowned by Mr. G. C. Gregory. A reception was held at the American Legion Hall after the game.

An Ex-Student Association headed by President Lloyd Webb, Vice-President J. C. McSpadden, and Secretary-Treasurer Dorothy Leah McSpadden was organized to stage the event every alternate year, beginning on November 11, 1950.

1950 has been a banner year in the history of basketball in Teague High.

The Lions played 35 games, lost 7, tied 1, and won 27. This is the best record ever set by a Teague High basketball team. The Lions won the west half of the zone by defeating Hearne; won district by defeating Madisonville in two games; and won regional by defeating McGregor and Wills Point, at the Regional Meet in Athens. The Lions reached the end of their wonderful season when, at the State Meet in Austin, they were defeated by Birdville, by a score of 43-44:

The three beautiful trophies won by the team will always remind the students of Teague High of the 1949-50 basketball team. Thanks go to a wonderful team and a wonderful coach.

JUNIOR—SENIOR PROM

This space is reserved for your memories.

WHAT--The Prom

WHERE--High School Gym

WHEN--April 21, 1950

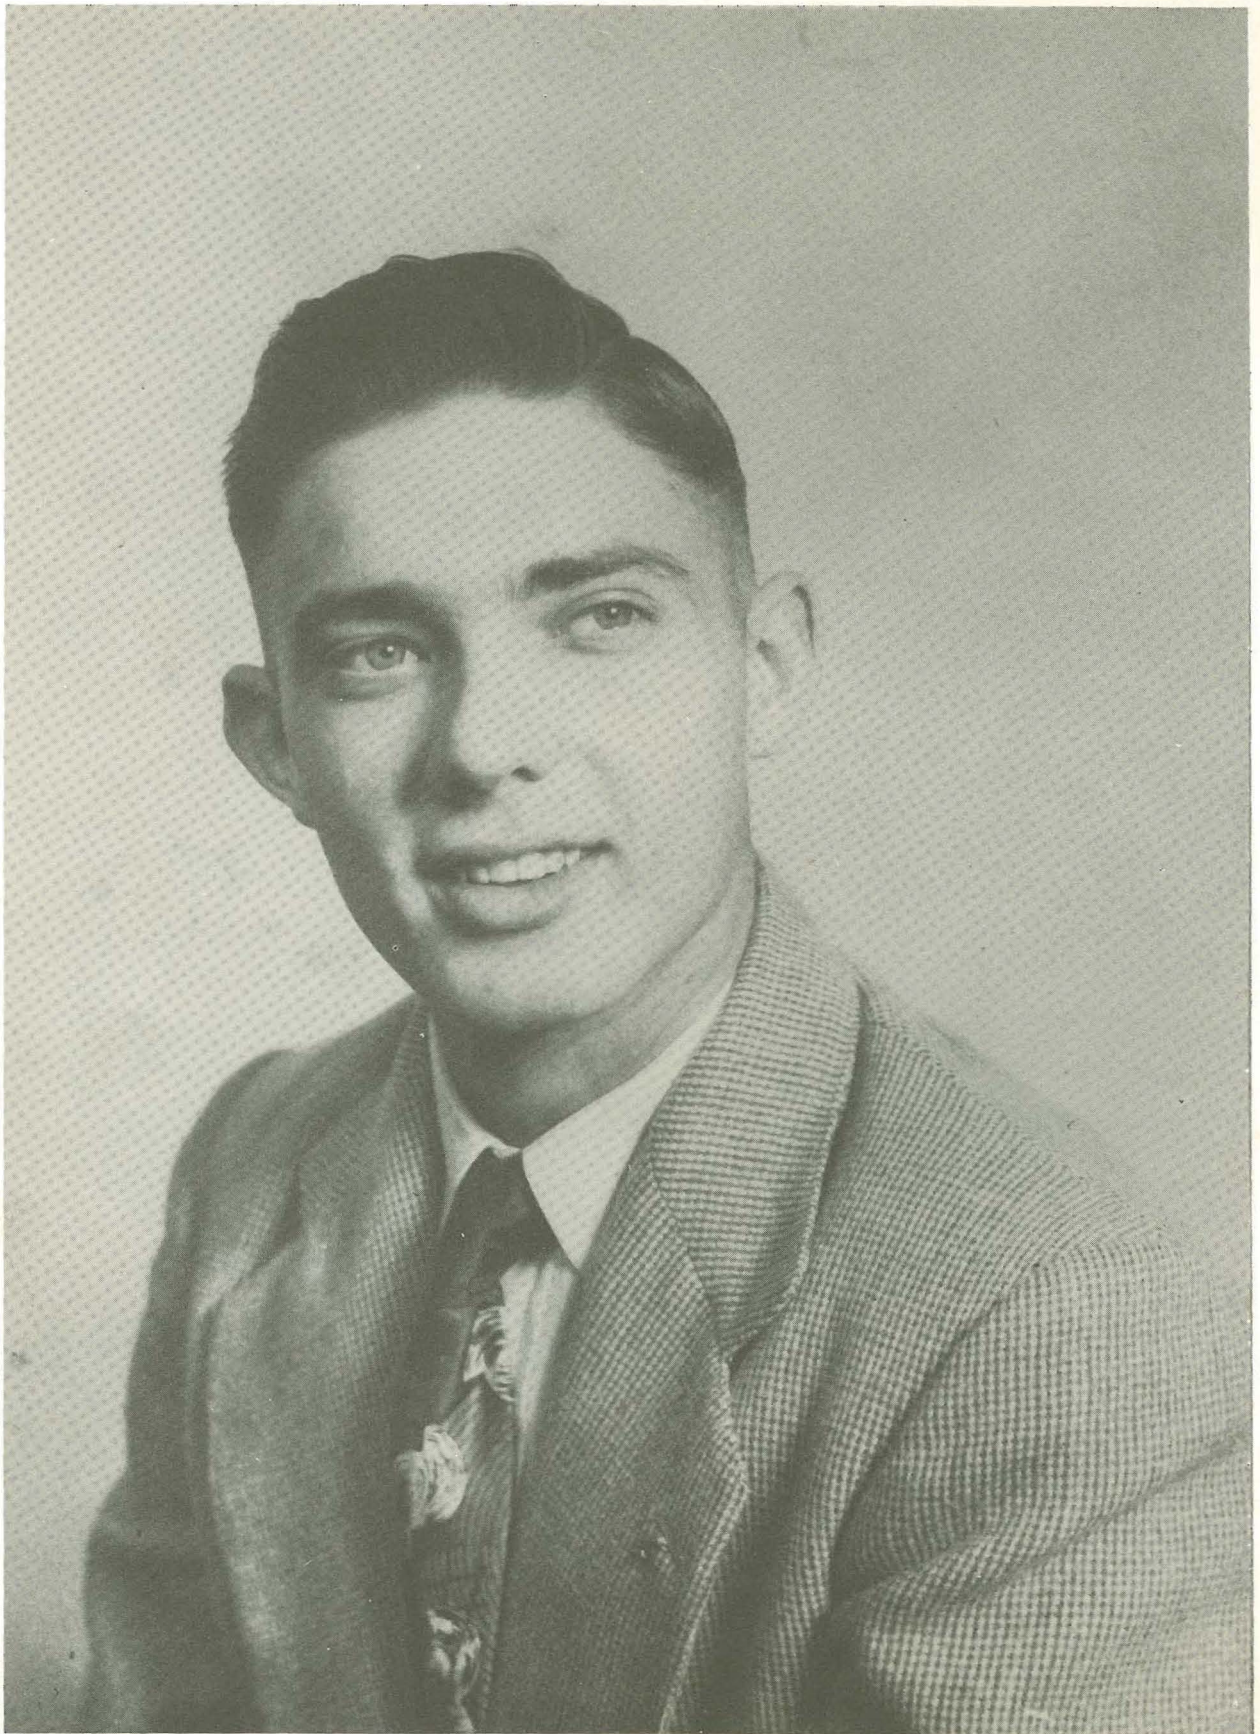

WHAT HAPPENED--?????????

The big event of the social season for the Junior and Senior classes is always the Prom. This year the setting for the Prom was a Love Shop. The entrance to the dance floor was a shady and rocky path which led to an open red heart next to the main floor. The main colors were red and white.

The serving table was covered with a white linen cloth. The center piece was a red heart with cupid surrounded by carnations.
