"To strive, to seek, to find, and not to yield."
Alfred, Lord Tennyson

We, the Annual Staff, are proud to present to you the 1976 Bicentennial Aerial. We have tried to catch glimpses of the past year, so that in years to come, this school year will remain vivid in your memory.

We have attempted to portray in pictures and words the happenings of this school year as they have occurred.

We hope that you feel that we have succeeded in our endeavor.
DEDICATION...

The class of 1976 is proud to dedicate the AERIAL to the director of the Fightin' Lion Band.

As a teacher you have unselfishly given your time and as an individual you have contributed to the "Spirit" of our school and band.

In addition to these things and because you have served as band director for eight years we respectfully dedicate this annual to you... MR. JOHN INGRAM.

One of the greatest honors that a Teague High School student can receive is to become a member of the National Honor Society.

Members of the National Honor Society are chosen by the faculty. The selection is based on the honor society’s principles of scholarship, leadership, character, and service in and outside of school.

The National Honor Society’s sponsor is Mrs. Sally Autry. Mrs. Autry is a great example of a leader and helped the members participate in many activities.

My, how time does fly! It seems like such a short time has passed since I wrote my first "Greetings" (1974-75) for the AERIAL. However, I do feel that it is a personal privilege to respond once again to the Editor's request.

I hope that you have enjoyed this, the first year, in the new high school. I am sure that you feel proud, as I do, to be a part of Teague High School. Not only for the new building, but, for everything good that makes up T.H.S.

I sincerely hope that this year has been very rewarding with regard to your personal development in attaining the best education possible. I hope that you have given your very best in this endeavor.

Sincerely,

Fred E. Gottlieb

JUNIOR HIGH
ACTIVITIES

The sixth grade works hard on its play during dress rehearsal.

The Junior High Band marched in the Christmas Parade.
Kevin enjoys craft work during school.

Lori jumps high over her first hurdle.

Carmie and Cayla distribute their bicentennial blanket to their class.

Tommy concentrates on his foul shot.
The Junior High sports programs could not have been complete without the Junior High Cheerleaders. They boosted the spirit at pep rallies, football, and basketball games with new trend chants or a bouncing flip. Even when the team’s score and spirits were low, the cheerleaders bounced up to put a new spark in the game.
