Administrators, Teachers, Sponsors, and Students:

The Teague High School Aerial staff would like to present to you our recreation of the 1990-91 school year. The theme of our yearbook, "Signs of the Times", reflects the many changes throughout this year.

The yearbook staff would like to thank Mrs. Hudgins for all the hard work and dedication she has shown throughout the year. Another special thanks goes to Mr. Lowe for all the new equipment he has provided for us this year. Without all your help, this yearbook would not have been possible.

Sarah, Janet, and I have learned that preparing a yearbook is no easy task. Working as co-editors we have learned some very important values such as responsibility and teamwork.

We would like to thank our staff for all the hard work they have put into this yearbook. We could not have picked a better staff to work with.

Sincerely your editors,

Sarah Schnoor
Dayna Whitaker
Janet Gilliam
Student Life

One Way Ticket
To Fun

Despite popular belief, student life really begins after that final bell rings at 3:02. That is when engines roar, radios blast, and conversations get deep.

Students plan parties, dances, dates and occasionally they study! They keep track of friends and couples, who’s going where and with whom and generally unwind from the pressures of school.

Student life at THS is relaxed and laid back. It has that warm small town flavor, complete with making the drag and trips to Waco. It has its highs and lows, but manages to keep strong ties alive and well among the students.

The New Gym: A Sign Of Progress

Did you notice something different on campus this year? Plans began in the fall of 1990 when companies competed on construction bids for the new facility. Neu-Tex Construction of Temple, TX and architects Eubanks-Harris of Tyler, TX built the new gym at a cost of approximately $750,000 - $800,000. It will seat about 825 people. The basic design includes: a lobby with concession stands and public restrooms on both sides; the gym with a wooden floor and permanent bleachers about 4ft. above the court; the locker rooms on both sides are under the bleacher area with carpeted and tiled floors. There are coaches offices and air conditioning also. The Class of 1991 will be the first to graduate from the new facility.
In Remembrance Of The War

In August of 1990, President George Bush of the United State began the largest mobilization of American military troops to Kuwait of the southern tip of Iraq. The dictator of Iraq, Saddam Hussien, took control of the small country that help 60% of the world's oil reserves. The United Nations set up an embargo and ultimatum that if the Republican Guard did not leave by January 16th, military action would be taken.

Over the next few months, many peace talks and conferences took place but to no avail. On January 15th, Congress gave the President permission to declare war. On January 16th, Operation Desert Storm began the massive air attack on Iraq. After most of Hussien's Republican Guard and equipment was destroyed, the Ground-war offensive began. In March of 1991, Saddam Hussein and the Republican Guard surrendered.

Much support was given from the families and friends of the men and women who served. Teague natives who served as soldiers include:

TOGETHER WE STAND...

Students and community hold rally for soldiers.
It could have been just the sunken Titanic that many high school students discovered May 11, but chances are they discovered more than that as Prom Night saw THSers turn a simple Saturday Night into a night of romance . . .

Days of decorating by parents, junior and senior officers, and other dedicated students paid off as couples stepped off the streets of Teague and into an underwater paradise, complete with starfish, treasure chests, and a full-fledged sunken ship. With white lights illuminating the room, the scene was a picture of the prom theme, "Treasures of the Night."

Midway through the evening, the music stopped, and everyone waited in anticipation for the announcement of Prom King and queen. Finally, the suspense was over as Scott Wallace and Lana Steen were crowned Prom royalty for the night.

When the last dance was danced and the final song played, the evening was declared a success. The efforts of many were combined to make this Prom Night truly a night to remember.

Seniors 1991

The Sign
Of The Times

The Class of 1991 saw many changes throughout the year. Especially memorable was the American victory in the Persian Gulf War. The war touched the lives of many Seniors and seemed to create a special bond that grew stronger as the impact of the war was felt. Our year carried us through disappointments and successes as we prepared to end our high school careers. The Class of '91 will be remembered as a small class with a big heart, and the first class to graduate from the new gym.

Homecoming

The students of Teague High always look forward to Homecoming. It was especially memorable to the upperclassmen this year as they said goodbye to mums, bonfires and Homecoming dances for the last time before graduation.

Jani Steen was crowned queen and her court consisted of Angie Strader, Laura Garrison, and Audra Twitty.

Operation Graduation sponsored the Homecoming dance following the game. Everyone agreed it was a tremendous success. As Juniors and Seniors look back on 1990 Homecoming it will be warmly remembered as an unforgettable part of the year.

U Turn

Larry, Kevin, and I met Lucas, Brian Harris, and Scott at Bellah's at about one in the morning.

WENDY HARRIS: Jason, remember all those talks under the stars, just you and I?! I Love You, Wendy!!

JASON LONG: Kevin, David, and I got caught burning down Fairfield's Bon Fire; lighting a smoke bomb in the school. And Scott Wallace getting on a bar stool singing David Allen Cole songs, and talking to dirty fat women.

WADE COTHRAI: Remember when Scott Wallace stood up on a bar stool and sang David Allen Cole songs all night; and talked to ugly women.

TIM ATCHLEY: Remember when I locked my keys in my truck and wore them around my neck for two months afterwards.

TONIE PHILLIPS: Chant, Chris, Wendy, LaShaun, and Catrina, remember when we all got together at the park and talked about "The Important Things?"

MELISSA HALL: Our Junior year, Julie and I went to Sam Houston State University's college day. On our way back, it was raining really hard. Julie had to hang out the car window as we were driving slowly and put the windshield wiper back on. Julie, I will never forget this.

KATRINA STEWARD: Remember prom weekend, when Carmen, Vikki and I tried to go to Freeport Beach and didn't quite make it, along with a few and half mile nature hike. And most important, Troye and I got back together!

RAUL HERRERA: Hey, Michelle remember when we went to the sophomore float? I fell off and I almost took your hand with me.

KEVIN PERSONS: Remember when we used to go to Jiffy Mart (Pronto's) on Thursday night and studied for our vocabulary test and do our essay.

BECKI SMITH: Leslie and Wendy, remember when we talked about starting channel 666 - the all Seance Network. I'd dig'm up, Wendy calls them back, and Les would report it.

Remember?
CHERI HARVICK: I remember when Tricia and I were going to Groesbeck and George was behind us. Then we hid at a bar and saw him drive by.

JENNIFER WILLIS: Remember when some of us were out at Monte's camphouse having a party, and the cabin caught on fire and burned down, and Julie and I started crying.

MICHELLE VANWINKLE: Chant, remember when Scott and Tim always teased you in Mrs. Lancaster's room!

CHRIS ADAMSON: Do you remember when during football season we did not win a single football game. The worst game was when Groesbeck beat us, and I mean beat us 70-6.

PAULETTE LAWLER: Dayna, remember when my mom let me drive the suburban after picking us up from the Teen Center and at the end of the drag I forgot to let go of the steering wheel and we kept going in circles at the "Y". You were laughing so hard!

JESSICA GAUNTT: Pualette, remember when you hooked me in the face with a fishing lure, I thought I was dying until I looked in the mirror and then I wanted to go back in the boat and fish some more.

LANA STEEN: I remember when and will never forget the day we almost burnt down the school when Larry, Pualette and I built our fire in English. (but we did get an "A")

SHEILA COTHRAH: Do you remember when Tricia and I had a wreck at lunch.

RACHEL ALLISON: Sarah, Carmen and Kevin, you'll remember when we went to Pizza Hut and our incident with the red light?

CATRINA HEGGINS: Remember when we (Chant, Tonie, Wendy, Chris, and LaShaun) went to the park and enlightened each other about life, men, and love. To my friends at THS, I love you all.

TRICIA BROOKS: Lana, do you remember our trip to Mexia the night I was gonna breakup with George?

WILLIE KEENER: When I first made it on Varsity. It was my sophomore year. I had to play two football games that night.

DORSEY ANDERSON: I remember when Clay Vance was hurt against Groesbeck on the first play. It was a very good time for me because I was the back up quarterback. I connected a 35 yard touchdown pass to

Remember?

Monte Shields to win the game. Proper!

TROY MUSGROVE: My most memorable moment is when Larry, Gary, and I won first place at the area tractor mechanics contest and qualified for state.

MICHAEL LANDERS: Remember when Raul, Chris, Franco, Janet, Sarah, Wendy, Becky, and I went to Six Flags and we all had fun. They made me ride the Giant and the Shockwave.

JANET GILLIAM: Sarah, remember Homecoming week when I spent the week at your house and Halloween night. We have had a lot of fun. Destiny, remember last summer?

TRACY TUCKER: Remember when Michael Landers and I skipped fourth and fifth period to go test drive a '90 Chevrolet Cheyenne. I had fun, but I missed a test and Coach Rider wouldn't let me take it.
Kevin Ivey, son of Sean and Geraldine Ivey, finished highest in his class with a grade point average of 4.53. Kevin plans to attend A&M University, majoring in Industrial Engineering. Kevin is a member of the National Honor Society, Computer Science Club, Academic Olympics, Spanish Club, and participated in UIL.

Robert Allison, son of Allen and Linda Allison, finished second highest in his class with a grade point average of 4.43. Robert plans to attend Sam Houston State University, majoring in Computer Science and Math. Robert is also a member of the National Honor Society, Computer Science Club, Academic Olympics, Spanish Club and participated in UIL.

The halls of Teague High School are never quiet. They echo with laughter and spirit as students routinely go through yet another day.

Freshmen, better known as “fish”, rush around trying to find their way and make a new name for themselves in High School. Making new friends and discovering what the future holds for them is a major focus in the mind of a Freshman.

People become a little more cautious out on the roads as the Sophomores get their drivers license! But this year isn’t all fun for them as they begin hard work in Biology. They discover their stomachs aren’t quite as strong as they thought when they dissect their first animal. Nevertheless they stick together and get through it.

Juniors learn the importance of studying and having all those late night chemistry and algebra II parties. Prom is also an exciting time for these first year upper classmen as they experience tuxedos and formals for the first time.

Teague High School students work very hard no matter what obstacles get in their way. Our school is truly “COMMİTTED TO EXCELLENCE!”

As the year began, there were many happy students in the halls. Though some of these were seniors, sophomores too had a lot to be happy about. As sophomores, they had overcome the “fish” status and were looking forward to being “upper classmen”. They had grown up since those Jr. High days of long ago and had met new challenges and experiences. In the next two years, they will have many decisions to make about their futures, along with much hard work. No matter how difficult the homework may become over the next two years, these savage sophomores are sure to have a blast.

The organizations at Teague High School play an important part in the development of student leadership. They not only create memories, but help to prepare teens for the future. Organizations teach young people how to work in a group and cooperate with fellow students. Of course, it is not all work and no play. There are dances organized by the Student Council and a fiesta held by the Spanish Club. Drama and Challenge classes performed plays for the school and the community. The journalism class has played a vital role in making memories to remember. They have worked hard to put out newspapers, and create a yearbook to help you remember this year. The band held concerts and the National Honor Society inducted new members.

Competition also plays a major role in organizations. Academic Olympics traveled to Palestine to compete in the District Competition. The Computer team also traveled to Austin to enter the State Computer Contest. They also traveled to Louisiana to test their computer skills. District UIL competition was held at Teague High School this year. Our students not only participated, but acted as Hosts and Hostesses for the visiting schools.

Our Ag. department has been very busy this year. They planted a garden and even repainted the Ag. farm. The tractor mechanics team, consisting of Troy Musgrove, Gary Nichols, and Larry Dowell, went to State competition and placed fourth.

The Cheerleaders have tried hard to keep the spirits up, and to keep the pride in our school going. This year has been a great year that no one can ever forget.
The Teague Lion Marching Band for 1990-91 performed an excellent season. The band members showed off their new uniforms with style. The long hours of rehearsal paid off. When the going got tough, the tough got tougher and the band made it through a long, successful year. Band officers for this year included: Mykle Ann Walthall, Lana Steen, Rachel Allison, Robyn Robinson, LaShaunda Brown, Shannon Weeks, Jeri Phillips, Stacy Gilbert and Jason Smith.

The 1990 football season was enhanced this year by the presence of the T.H.S. twirlers and Flag Corps. The auxiliary meant support for the team and an enthusiastic voice for the Lions. Practice began for these groups with camp in July, and they never quit striving for perfection. The auxiliary showed their own brand of school spirit and helped make the season a success.

Challenge English worked hard this year. They learned how to be responsible and work as a team. Many activities were done, and among these was their big project for the year.

They were divided into four small groups. Once in these groups, the students, Jr. High and High School together, wrote, produced, and performed their own plays. Many hours and a lot of dedication paid off as the students performed these plays for the student body and again for the public.

Challenge English was a big success, and we are looking forward to next year.
For The Finish Line
"Who played for the Boston Celtics, New York Yankees, and New England Patriots all in one season?" That was just one of many questions that the Academic Olympic team encountered this year at the annual meet. The meet, which was held at Trinity Valley Community College, drew teams from Cayuga, Westwood, Palestine, Neches, Teague, Fairfield, Elkhart, and Frankston. The Teague team, consisting of Kevin Ivey, captain, LaShaun Pollard, Leslie Nienstadt, Jeri Phillips, and Love Storey, defeated Fairfield, Cayuga, Neches, and Westwood, who has kept them from advancing to the finals the past two years. They then played Palestine, who beat them twice, giving Teague second place in the annual meet. Congratulations to the Academic Olympic team on a great job! Oh, in case you're wondering, the answer to the question at the top was "an organist."

SENIORS ... LaShaun Pollard, 2nd year, and Kevin Ivey, captain, 3rd year.

This year a new Computer Club was established. It was called Teague Area Computer Club. Officers were selected, and they titled themselves from computer games.

The Computer Team worked hard, and earned a trip to Austin to the State Meet.

New Computer Team consists of: LaShaun Pollard, Robert Allison, captain; Mrs. Williams, sponsor; and Jana Christian.

TACC Officers are: Brandi Mabry, Keeper of the Gold (Treasurer); Matt Fulsom, Senior Scribe (Secretary); La Shaun Pollard, Worthy Helper (Vice-President); and Robert Allison, Fearless Leader (President).
Spanish Club Dips For The Fiesta!

The 90-91 Spanish Club officers are: Michelle Henson, President; Scott Wallace, Vice President; Anna Hurst, Treasurer; Tami Sanders, Historian. Last but not least is our sponsor, Mrs. Sledge, who has done a wonderful job. Thank you, Mrs. Sledge!

Tame Breaks Fast

Texas Alliance for Minorities in Engineering is a non-profit organization comprised of students, educators, and corporate professionals working to encourage and enhance minority awareness to science/engineering careers.

This is the first year TAME has been at THS. The program is being sponsored by area power plants and businesses. Students have attended various field trips, meetings, and programs. This organization has three legs by which to stand and if any one of the three does not share in the organization, it cannot stand.

Members: (sitting l. to r.) Catrina Heggins, Joy Tinsley, Love Storey (Standing l. to r.) LaShaun Pollard, Tara Heggins, Barbette Carter, Teshia McClendon, Kela Austin, Alta Heggins (Back row l. to r.) Oscar McClendon, Chris Gibson, Annette Banks, Yolanda Watkins, and LaShonda Brown.

FHA Goes All The Way

The Future Homemakers have been up to a lot more than just baking cakes. They participated in Regional and State meetings with voting delegates at each. Local President, J.J. Herrington, was elected to the Region III Board of Officers for 1991-92.

“The officers this year have done an exceptionally good job this year, but our most treasured officer is our sponsor, Mrs. Newberry,” said J.J.
To some, Spring brings to mind baseball, fishing, and Spring Break, but to many Jr. High and High School students, it means UIL Academics.

These students spent many months preparing for the District Academics Meets that were held in March for High School and in April for Jr. High. High School Students attended practice meets at Midway, LaVega, and Buffalo. This extra practice paid off when many High School as well as Jr. High students dominated their particular events at District.

Because of the students' efforts, THS finished third at the District Meet, which was hosted at THS by faculty and students and coordinated by Mrs. Ruth Meggs, and qualified eleven students for Regional competition. Of these eleven, Lisa Wilson advanced to State. Congratulations to all the students who represented our school so well.

VAC Program Crossroads

All across Texas, school districts have recognized the need for work/study programs for certain individual students. The Vocational Adjustment Cooperative (VAC) Program is designed to transition these students into the world of work. Vocational training and job experience are combined with academic courses. These students cross roads to newer horizons.

Mrs. P. Rider and the VAC Program students in action are as follows: Billy Dunn, Mark Dennis, Ronald McClatchy, Jamie McDonald, Buddy Harvick, Bobby Chandler, Chris Watkins, Eric Miller, and Lloyd Hardin.

Journalism: Guiding

The 1990-91 Journalism class was filled with a variety of talent. Each individual set a goal and dedicated the year to reaching it.

There were moments when giving up was a strong possibility! But with Mrs. Hudgins as the fearless leader, no one did!

It wasn’t all work and no play! Reaching deadlines meant being rewarded, although the rewards could have come a little after 7:30 a.m. on a Saturday morning.

Nonetheless, the deadlines have been met and the class made many memories in the process!

Dayna, Janet and Carrina meet those deadlines!

Meredith and Anna, this is not a study hall!

Sports 1990-91

Detour To Victory

Teague High has participated in many sports including: football, basketball, track, cross country, tennis, baseball, and golf. These athletes have experienced some good times and some not so good times. They learned that the definition of winning is giving it your all and sticking to your goal. These young men and women have made us proud at THS as they carried on the tradition of excellence in our school. Congratulations to all our fine athletes.
Senior/Freshmen

The Senior/Freshmen classes pull together as a team. Practice makes perfect, and for Lashawn Pullard who represented the Senior class, it pays off as she runs for the infield to score. Coaches included: Seniors Willie Keener, Barney Lefall, Bruce Jones, and Jason Long.

Boys Are Us

Yes, these lovely young men are definitely our next All-American Cheerleaders. Cheerleaders included: Senior Michelle Landers, Junior Jodline Lowther, and Sophomores Marsha McSpadden and Maeta Torno. Maeta and Michelle go all out for school spirit.
The victors celebrate their win. Junice and Sophomore players did an outstanding job, thanks to the coaches. Coaches included: Junior Chris Gibson, Clay Vance, Clint Silar, Jolo Levels, and Jon Lopez.

Watch out Vanna White, we’ve go Justine Long! The Queen is given a beautiful bouquet of roses. Justine was escorted by Mr. Steen, they both smile for a quick picture.
Cross Country Runs On

Getting in shape isn’t the only outcome of this sport. Meeting new people, new friends, new places all served as a great outcome this year. At District we swept a Victory and placed 1st. At Region, we placed 2nd, qualifying us for State. This was the fourth consecutive year for the Lady Lions to attend State.

Members of the team include: Sophomore Courtney Frederick, Senior Carmen Guerrero, Freshmen Rebekah Easterling and Hayley Allison, Juniors Brandi Mahry and Shalanda Sims. J.V. members include: Freshmen Christi-

The Junior High this year greeted a new principal, Mr. Gerald Meggs and boasted the largest enrollment to be counted in Teague Junior High over the last few years. Seventh graders participated in the Homecoming festivities and the TAAS testing for the first time, and eighth graders showed leadership and direction in many successful activities. Junior High students worked together to dominate the UIL Literary meet at Groesbeck and Fairfield and represented TJHS in athletic competition around the district. The year has been one of achievement and progress, as students move closer to the big step — high school.

Class Of 1991

Turns Into The Future

As President of the class of 1991, I hope I speak for everyone when I say “I’m ready to graduate,” and as I look back on my time at Teague High School, I see things as productive, exciting, and, at times, even educational. I feel the time has come to move on. For some, that means going to college. For others, simply going to work. No matter which one it may be, the unity developed among our class will linger in the halls of THS long after we are gone. One thing I learned about the class of 91 is that we understand the word “unity.” As I look back over my high school career, there are moments that stand out in my mind that illustrate this.

The major hurdle we met as we began our first year in high school was the loss of a classmate, Chad. I’ve always been told that something good comes out of every bad situation. Out of this tragedy, I feel our class united to move past this hurdle, and that this accident set the tone for years to come. That tone became one of unity, and it is that tone that has characterized our class ever since.

Our Sophomore year, we were released onto the roads in automobiles. We pulled together to build a Homecoming float after the rain tried to discourage us. As we became upperclassmen, we all looked forward to the big Prom. After Teague was hit by a tornado, we united to rebuild and carry out the Prom without electricity.

As Seniors, we stepped into the final stage of high school with mixed emotions about the year ahead of us. We prided ourselves in showing enthusiasm in pep rallies week after week. Our spirit was paraded through town on an 18-wheeler float in the Homecoming parade. We crowned a Senior as the 1990 Homecoming Queen. The Homecoming festivities brought more memories and unity to the class.

But in the meantime, our parents were bombarding us with details about Operation Graduation. Consequently, our days became filled with bake sales, dances, weeks of work on the Haunted house, and crowning a Senior as the 1991 Miss Homemaid. United, we raised $20,000, made memories and had a blast! As the year wound down, we made final preparations for our night full of treasures. With no natural disasters, the Jr./Sr. Prom was a huge success.

The Class of 91 is a class I’m proud to be a part of and proud to be President of. It is a class that is accepting of differences and still remains one. It is a class that holds a bright future, and as we go our separate ways, I say to the Class of 1991, “thanks for the memories.”
