We will strive to do this through quality of instruction, equity for all students, and accountability and improvement of our instruction. All students will develop essential academic skills and knowledge based on which to build life-long learning. Citizenship, economic responsibilities, and an appreciation of our American heritage, including its multicultural richness, are important factors in the education of our children. All facets of the Teague Lion Academy education community will seek continual improvement in our educational endeavors..

Statement of Purpose

Teague Lion Academy is committed to the goal of providing quality education for every student in the district. To this end, we want to establish partnerships with parents and with the community.

Neither home nor school can do the job alone. Parents play an extremely important role as the children's first teachers. Their support for their children and for the school is critical to their children's success at every step of the way.

The purpose of parent involvement is to promote a school-home partnership that will help all students on all campuses succeed. Everyone gains if school and home work together to promote high achievement for our children.

Grade level goals for the students of Teague Lion Academy will be distributed to all parents in the district, with the expectations that all students will work toward these goals. We recognize that some students may need the extra assistance available through the Title I program, as well as other programs, to reach these goals.

1. The LEA –Local Education Agency/School District involve parents in the joint development of the district's plan and the

process of school review and improvement.

Teague Lion Academy intends to include parents in all aspects of the district's Title I Program and Parental Involvement Policy. The goal is a school-home partnership that will help all students in the district succeed. Parents and district personnel will meet to develop our district's Parental Involvement Policy. Parents will be invited from each school attendance zone in our district to be part of the process. Special attention will be given to recruiting parents of children participating in the Title I Program.

2. The LEA will provide the coordination, technical assistance, and other support necessary to assist participating schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance.

Teague Lion Academy will provide support and training to principals and teachers to promote the parent involvement activities.

3. Build the schools' and parents' capacity for strong parent involvement.

In order to build a dynamic home-school partnership, Teague Lion Academy, with cooperation of the campuses, will provide the following:

- An annual meeting where parents will learn about the requirements of the school's Title I program, and be given an opportunity to become involved with their child's education. The annual meeting will be held during the first twelve weeks of the school year.
- Parent meetings and conferences held at different times during the day to accommodate the needs of the parents. Communications with parents will be in a format and a language that they can understand.
- A description and explanation of the curriculum used, the forms of academic assessments used to measure student

progress (benchmarks, TPRI, etc.), and proficiency levels students are expected to meet, will be provided to parents through a letter or conference.

- Assistance to parents in understanding the state's academic content standards, known as the Texas Essential Knowledge and Skills and the state student achievement standards based on the State of Texas Assessments of Academic Readiness (STARR), will be communicated through school- wide meetings and a letter from the principal.
- A school-parent compact designed by parents and school staff that outlines how parents, the entire campus staff, and the students will share the responsibility for improvement in student academic achievement.
- A minimum of one scheduled parent conference where the school-parent compact will be discussed as it relates to the progress of the student, as well as the expectations for the grade level school curriculum, test information, and any other concerns the teacher or parent may have.
- Parents will have the opportunity to help review, plan for and make suggestions to improve the Title I program, as well as the Parental Involvement Policy and the School-Parent Compact.
- Appropriate parent participation opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to their child's education. Parents may request a meeting with the principal by phone, e-mail or in writing. In addition, parents may attend the scheduled yearly and semester meetings.
- Information relating to school and parent programs, meetings, and other activities will be sent to parents in a timely manner. Information will be given to parents through newsletters from the school, PTO, and from the classroom teacher. In addition, the school marquees will be used to inform parents of dates of programs, meetings and activities.

- Materials and specific training to help parents work with their children to improve achievement.

Parents and community members are always welcome at our schools. By using their suggestions to improve our schools and by working together, we can make all the students in our school successful learners.

Timely communication and an inviting and family- friendly atmosphere will enhance parent involvement in the activities of the Title I, Part A participating schools. Parents will receive information in a language they can understand that will detail the activities of the school, and will be asked to participate. Schools may use communication strategies such as personal contact, newsletters, notes sent home with the students, and e-mail to invite parents to participate in the school's activities. Whenever possible, childcare and language interpreters will be provided. Parents and community members are always welcome at our schools. By working together and making suggestions to improve our schools, we can make all the students in our schools successful learners.
