

Canute School Unpaid Meals Policy

Our school provides nutritious meals at a nominal price. Our lunch program operates on a nonprofit basis, so your **prompt payment** is encouraged.

Canute Public Schools allows a \$40.00 charge for students without a previous year's balance. Any student who owes on a breakfast/lunch bill from the previous year will not be allowed to charge meals for over a 30 day period without payment at the time of the meal.

Students that currently owe over this amount and/or reach this amount during the school year will be served an alternative lunch. The alternative lunch will consist of cheese or peanut butter and jelly sandwich, piece of fruit or vegetable and unflavored milk, which meets the Child Nutrition Guidelines.

Meal statements will be passed out twice a month on the Friday of the week of the 1st and the 15th. If the students balance is \$30.00 or higher they will receive a payment reminder notice. If a payment is still not received the parent will receive a notice in the mail and or phone call. Payments can be made in the office or cafeteria.

Canute Schools try to maintain the lowest prices possible as a service to our families. Our goal is to operate barely above the "Red" to maintain these low prices. Listed is the current meal prices, prices are subject to change.
