November 5, 2020

It is with great excitement that Canute Public Schools will begin their 2020-2021 basketball season. **Our school district currently recommends wearing masks/face coverings and social distancing while attending games in our gymnasium.** Along with these recommendations, we would ask spectators to follow the protocols listed below:

Do not attend tournament games if you are experiencing any COVID-19 symptoms, including but not limited to:

Fever above 100°

Sore Throat

Uncontrolled cough that causes difficulty breathing

Diarrhea, vomiting or abdominal pain

Severe headaches, accompanied by a fever

Do not attend if you are awaiting COVID-19 test results.

Patrons in high-risk categories are encouraged to utilize the free live stream options through Paragon TV and watch the games from home. Go to paragontv.com and click on Canute Trojans. This is for High School games only.

Keep the lobby clear by not congregating. Please return to your seat after visiting the concession stand or restrooms.

Lobby windows are reserved as handicap viewing spaces.

Do not congregate in the lobby or on the gym floor after games.

Sit on the side of the gym that is designated for your school.

The less interaction we can have between fans of different schools, the more we can help limit the spread of any infectious disease among different communities.

*These protocols are subject to change before and during the season

To help limit spread between teams, the following safety measures will be in place:

There will be hand sanitizing stations available in the restrooms of the gym for spectators and hand sanitizing stations at each bench for players, coaches, and officials.

Bench areas will be disinfected in between games.

Locker rooms will be disinfected after teams finish playing.

Each school will be provided a rack of basketballs for warm ups before games and at half time.

*Safety measures are subject to change before and during the season.

We look forward to welcoming everyone to Canute for the 2020-2021 basketball season.

Sincerely,

Canute Public Schools
