

## **Board Member Compensation and Expenses/Insurance**

Board members shall receive no compensation for their services. However, upon submitting vouchers and supporting bills for expenses incurred in carrying out specific services previously authorized by the Board, board members may be reimbursed from district funds.

Such expenses may include the cost of attendance at conferences of school board associations and other professional meetings or visitations when such attendance and expense payment has had prior Board approval.

The Board shall purchase liability insurance and errors-and-omissions insurance to protect its members individually and collectively for claims made against them as a result of their membership on the Board.
