

Recruitment of Superintendent

The appointment of a superintendent is a function of the Board. The Board shall conduct an active search to find the person it believes can most effectively translate into action the policies of the Board and the aspirations of the community and the professional staff.

The Board may seek the advice and counsel of interested individuals or of an advisory committee, or it may employ a consultant to assist in the selection. However, final selection shall rest with the Board after a thorough consideration of qualified applicants.

A vote of the majority of Board members present at a Board meeting for which due notice has been given of the intended action shall be required for the appointment of the superintendent.

Search Process

When the Board conducts a search for the position, the writing or revising of the job description, requirements for applicants, selection procedures and applicable deadlines shall be adopted at a public meeting.

Records submitted to the district by an applicant for an executive position shall remain confidential until the applicant becomes a finalist for the position. If only three or fewer candidates possess the minimum qualifications for the position, said candidates are all considered finalists.

A list of all finalists being considered for the position shall be made public by the Board at least 14 days prior to the first interview conducted for the position.

When an applicant becomes a finalist, all records submitted by the applicant shall be available for public inspection except that letters of reference or medical, psychological and sociological data shall remain confidential.
