

Instructional Staff Contracts/Compensation/Salary Schedules

The Board annually shall adopt a salary schedule for its regular teaching personnel and shall place each teacher in the school district on the salary schedule at least commensurate with, but not limited to, education, prior experience and experience in the district. The schedule adopted by the Board shall remain in effect until changed or modified by the Board in accordance with law. If the Board declares a fiscal emergency during a budget year as allowed by state law, salaries may be reduced for all employees on a proportional basis or the work year of employees may be altered. Any such reduction in salaries may be made notwithstanding any adopted salary schedule or policy.

Salary increments shall be conditioned upon evidence of the continued professional growth of the teacher. Within the framework of state statutes, employees who do not comply with the requirements of the Board and state may not be granted salary increases or may not be retained on the staff.

Placement on the salary schedule shall be in accordance with requirements developed by the administration and approved by the Board.

The district shall comply with statutory provisions regarding salary schedules.
