

Professional Staff Supplementary Pay Plan

Teachers who are assigned to duties which require extra time or responsibilities over and above their basic contractual teaching obligations or those employees who are assigned extra duty activities as part-time professional employees of the district shall receive compensation for those duties in accordance with a supplementary salary schedule set annually by the board.

Faculty members to be appointed to extra-compensation positions shall be recommended by the superintendent and approved by the Board. Appointees shall be issued a notice of appointment from the superintendent stating their particular assignment, its duration and the compensation to be paid.
