Dear Parent/Guardian,

The Beauregard Parish school system has federally connected students and because of these students, our schools may be entitled to receive Federal Impact Aid. In order to receive these funds, a survey for each student must be completed and signed by the parent. All information provided in the survey will be treated confidentially.

Impact Aid helps all children and schools in our district. If any of the following items apply to your household, please fill out the form on the reverse side of this letter - one for each household - and return it to your child's school no later than Friday, December 6, 2019. If none of the items apply, you do not need to return this form.

Your cooperation in helping complete this survey is greatly appreciated. Please check any of the following that may apply to your household:

- Yes! We live on federal property.
(DeRidder or Merryville Housing Authority, Fort Polk, or Other)
- Yes! A parent/guardian is active duty military or reserves.
- Yes! A parent/guardian works on federal property. Any job on Fort Polk Base - civil service, civilian, or contracted - US Post Office, USDA, Overseas Contractor, Etc.)

Sincerely,

A handwritten signature in blue ink, appearing to read "Timothy J. Cooley".
