The voters of Beauregard Parish have once again shown their support of our school system by voting to continue a millage levied for the operation of our school facilities. The funds generated by this tax will pay for water, electricity, maintenance, and upkeep of our properties and school buildings.

On behalf of the School Board and its employees, I want to extend our sincerest appreciation to our community. It takes every stakeholder working in partnership to maintain a positive, productive public school system. The voters of our parish have always placed a high priority on education, and the passage of the millage continuation proves that our community values and supports education.

We have a long and strong commitment to fiscal responsibility in our parish and pledge to the voters that we will continue to use funds wisely, efficiently, effectively, and for the benefit of our children.

Once again, thank you for supporting our schools and our students. We look forward to continuing our partnership to meet our goal of "Excellence in Education" for our children.

Sincerely,

A handwritten signature in blue ink that reads 'Timothy J. Cooley'.
