David Upton, School Resource Officer

Re: Driving/Parking on Campus

We need your help. During the upcoming year, we will be dealing with the highway project and new building construction. For the safety of our students, staff, and community, please follow these guidelines:

\*Arkansas State Law prohibits the use of cell phones while driving on campus and in a work zone.

## Morning Drop-Off

- All Elementary and Middle School students will need to be dropped off between the new gym and the flower bed. **PLEASE DO NOT STOP ON THE HILL BY THE MIDDLE SCHOOL TO DROP OFF YOUR STUDENT.** This causes an interruption in the drop off line and causes traffic to back up.
- All High School students will need to be dropped off at the crosswalk between the senior parking lot and Old Main.
- If you are walking your child to class the first week of school, please be patient because parking is limited.
- Except for school buses and faculty, no traffic will be allowed on the road beside the Fine Arts/Career Education Building beginning at 7:30 a.m. **PLEASE DO NOT PARK IN FRONT OF THE CAFETERIA IN THE MORNINGS. This area is for buses only.**
- Reminder: No left turn out of campus onto Highway 65 from 7:30 a.m. to 8:30 a.m.

## After School Pick-up

- Students will be using the blacktop area while changing classes. The car rider line may start lining up at 2:45 p.m. Cars may not cross the crosswalk between Albright Hall and Middle School until 2:45 p.m. Once your student is loaded in your vehicle, you will leave campus using the road beside the Fine Arts/Career Education Building.
- Middle School students will load with the Elementary students in front of the cafeteria. Middle School students will not be dismissed until 3:10 p.m. If you pick up both, Elementary and Middle School students, please come at the end of the car rider line.
- High School students will be picked up in front of the High School.

Your assistance in keeping our students safe is GREATLY appreciated!
