

Food Safety & Nutrition

AMI assignments (#11–15) for April 6–10, 2020

Please go to this link and open for a message from me:

https://youtu.be/ploE_z5KZkU

Hello to my wonderful foods students! I do miss seeing your smiling faces. Hopefully, we will get to end the year together, and things WILL return to normal. In the meantime, life is good – just different!

BE SURE TO TURN IN ALL YOUR AMI ASSIGNMENTS. THIS IS HOW YOU GET CREDIT FOR THE DAYS WE ARE MISSING!!

Below you will see the guidelines for a project you are to do this week. Please create a presentation in whatever format you wish – google slides, powerpoint, prezzi, etc., or even on a poster board (you could take picture of it and send to me).

If you do not have internet, you may find helpful information in cookbooks. You might even interview someone in your home who knows a lot about certain ethnic foods. Do what you can under the circumstances!

WORLD FOODS PROJECT

You will create a presentation on your choice of an ethnic food group. You may select from Italian, German, Mexican, Russian, Indian, Asian, etc. etc. You need to include:

- A. *What area/ethnic food group are you doing?*
- B. Describe at least three of the following and tell how each possibly affects the food of that country or region: culture, climate, weather, geography, history, religion, etc.
- C. Tell us about at least three of the common dishes from that area.
- D. Provide two sample recipes.
- E. Be creative! Use different fonts, colors & backgrounds. Add pictures or even videos.
- F. Double check your spelling and grammar.
- G. Don't crowd your slides. Less is more! But do cover the information requested.
- H. Resource list – use a minimum of two resources.

I hope you find this project interesting and enjoyable. I look forward to seeing what you create! When we get back to school, I plan to have a lab on world foods such as you are researching.

Take care of yourselves! If you have any questions, email me at:

kmarchand@valley.k12.ar.us

I will see you soon!!!

Ms. Marchand
