

# Mrs. Scott's Monday Letter

## January 22– January 25

This week:

Word Study: Unit 18 Compound words and silent letters (baseball, numb)

Literacy/Social Studies: Character studies through Charlotte's Web

Math: adding and subtracting within 1000

- \* We're running low on snacks. If you can send something for the whole class, please do so. :)
- \* Our reading of Charlotte's Web has been wonderful! The kids are learning so much!
- \* Expect work to start getting a little harder now. It is important that you are working with your child at home, even if I don't send any homework. See the information on the left of this page to know what to work on.

### January Birthdays

Mrs. Scott– 7th

Izabella– 22nd

Hunter– 27th
