

Third Grade News

September 30– October 4

Mrs. Farmer, Mrs. Scott, Mrs. Woehl

This week in...

Reading: Read Pink and Say and analyze characters

Writing: Continue working on writing simple sentences and writing descriptions of characters and objects with elaboration.

Math: Focus on the relationship between multiplication and division. Please practice basic multiplication facts at home. There are many apps that make games for this or you can always use flashcards.

Science: Continue Weather Unit; short research on weather and writing an informative piece on weather.
