

Mrs. Roberts' Monday Letter

January 20-24, 2020

TABLE TALK

*We will be discussing character traits (loyal, calm, fearless, wise, humble, etc)

*Have them tell you an action of a character from a book they bring home. Then have them list a character trait that goes with that action.

*Please practice putting numbers in order from greatest to least & least to greatest (from 0-100).

*Write numbers as tens & ones. (They need to identify that 47 is 4 tens & 7 ones).

*Use <, >, & = to compare numerals.

*Make up riddles to describe items around your house & see if anyone can guess what it is.

*Discuss how the following have changed over time (chores, clothing, food, sports, transportation, communication, etc.)

Just as a reminder, my door opens at 7:45am. School begins at 7:55am. Those first 10 min of the day are very important. This is the time when students practice their reading fluency. Please encourage your child to get to class as soon as possible. We have several students who aren't arriving until after 8:00.

There are several coats, backpacks, lunchboxes, & other items in our lost and found if your child is missing anything.

Don't forget to check your child's folder nightly. Any papers that are in the page protector labeled "Important Papers" need to be removed. These are not to be left in their folders.

We will be celebrating the 100th day Thursday. Students can bring in 100 items or wear them. They can make anything they want with 100 items, be creative.

*Just a reminder that the school offers after school care every day from 3:15-5:30p.m.

We are in the middle of flu season. In order to keep from spreading germs I recommend sending a water bottle for them to use instead of the water fountain.

Phonics Pattern

Long i digraphs

Ex. mind, lie, kind, night, dye, might, bye, pie, high, blind, eye, bright, grind, fright

Heart Word

many

High Frequency Word

little
