Jobs in the Military

Broadcast Journalists and News

Writers The military publishes newspapers and broadcasts television and radio programs for its personnel and the public. These services are an important source of general information about people and events in the military. Broadcast journalists and news writers write and present news programs, web based programming music programs, and radio talk shows.

Photographic

Specialists The military uses photographs for many purposes, such as intelligence gathering and news reporting. The services operate photographic laboratories to develop the numerous photos taken by the military. Photographic specialists take and develop still color or black and white photographs.
