This year Mrs. Sherrill is running an attendance contest. She looks at our attendance at the end of everyday. If a class has 100% attendance the class will receive a star. The classroom that has the most stars each month will receive \$50. To be considered a class with 100% attendance we can not have any tardies (8:00 am), absences, or early check outs. Our class would greatly appreciate your help in winning the money!!
