**Price:** Full-time \$40, siblings \$20.

**Price:** Part-time, 3 days or less, \$20.

*Discount for siblings.*

**Come play with us after school!**

### PLAY

We have supervised outside playground games. There are swings, slide, monkey bars and much more. Sidewalk chalk drawing, bubbles, scavenger hunts, all kinds of fun and games!

### SNACKS

Daily snack and drink provided, right after school, so your child has the energy to play. Children are welcome to bring their own snacks if they prefer.

### ART & COMPUTER

Some days we venture to the Art Classroom to do special projects. On rainy or cold days we travel to the Computer Lab for educational and fun computer time.

### GAMES, READING, MOVIES

We want your child to be creative and use his or her imagination. We do things like cookie decorating, seasonal activities, play with clay, free drawing, writing and reading. We want your child to learn. We provide a variety of board and card games, as well as hands-on educational games.
