FAQs

Who can attend?
Enrollment is for high school students only.

What will this program cover?
Students will apply activities and basic knowledge gained from various projects to many areas. They will learn teamwork, problem-solving, and technology literacy. They will also gain hands-on experience in using technology in activity-based courses.

How long will it take me to complete the program?
Students complete the program in two years.

How much does it cost to attend?

High School Students
Free

What is the class schedule?
Morning Session: 8:15 AM - 11:15 AM
Afternoon Session: 12:00 PM - 3:00 PM

When can I start?

Start times depend on seat availability, but we start new applicants at two entry points: August and January.

High School Students
August or January

How do I apply?

Call (918)567-2264 to schedule a test and interview

High School Students

1 Pick up an application from the high school counselor or our campus.

2 Turn application into a counselor.

3 A high school counselor will turn in an application to us with supporting documentation. This includes High school transcript, test scores, and attendance record.
