ESSENTIAL
KNOWLEDGE AND
SKILLS

A district that offers kindergarten through grade 5 must provide instruction in the required curriculum as specified in 19 TAC 74.1 (relating to Essential Knowledge and Skills).

The District shall ensure that sufficient time is provided for teachers to teach and students to learn English language arts, mathematics, science, social studies, fine arts, health, physical education, technology applications, and to the extent possible, languages other than English.

19 TAC 74.2

DAILY PHYSICAL
ACTIVITY

The District shall require students in kindergarten through grade 5 to participate in moderate or vigorous daily physical activity for at least 30 minutes throughout the school year, as part of the District's physical education program or through structured activity during a campus's daily recess.

If the District determines, for any particular grade level, that requiring moderate or vigorous daily physical activity is impractical due to scheduling concerns or other factors, the District may as an alternative require a student in that grade level to participate in moderate or vigorous physical activity for at least 135 minutes during each school week.

The District must provide an exemption for a student who is unable to participate in the required physical activity because of illness or disability.
