

Parent Trainings

2020-2021 School Year

Falls Education Cooperative is offering parent trainings this year—virtually! You can join the webinar and participate just as you would in person OR you can contact Teri Rinewalt, Special Education Director (trinewalt@fecoop.net), and she will send you a recording of the webinar. The recorded webinars will also be posted on the Falls Education Cooperative website (fecoop.net) linked on our district website after they are completed.
