RE: Renewal of the current contract RFP 22.21 (Technology Supplies - Hardware)

The EPIC6 Purchasing Cooperative is currently considering the renewal of the above referenced contract from July 1, 2022 through June 30, 2023. This will be the **first** year of a two (2) year renewal option. If renewed, this contract will be under the same terms and conditions as the original contract and there will be no need to bid on the upcoming solicitation RFP 22.22.
