[Utah Code §53A-1-1406\(2\) \(2016\)](#)

Student Data Disclosure Statement—

Beginning with the 2017-18 school year, if the District collects student data into a cumulative record it shall, in accordance with this section, prepare and distribute to parents and students a student data disclosure statement that:

1. Is a prominent, stand-alone document;
2. Is annually updated and published on the District's website;
3. States the necessary and optional student data the District collects;
4. States that the District will not collect the student data described in **Prohibited Collection of Student Data**, above;
5. Describes the types of student data that the District may not share without a data authorization;
6. States that students and parents are responsible for the collection, use, or sharing of student data obtained by the student as described in **Student Data Ownership**, above;
7. Describes how the District may collect, use, and share student data;
8. Includes the following statement: "The collection, use, and sharing of student data has both benefits and risks. Parents and students should learn about these benefits and risks and make choices regarding student data accordingly.";
9. Describes in general terms how the District stores and protects student data; and
10. States a student's rights under the Student Data Protection Act.

[Utah Code § 53A-1-1406\(3\) \(2016\)](#)

Student Data Disclosure Statement Recipients—

Beginning with the 2017-18 school year, the District may collect the necessary student data of a student into a cumulative record only if the District provides a student data disclosure statement to:

1. The student, if the student is an adult student; or
2. The student's parent, if the student is not an adult student.

[Utah Code § 53A-1-1406\(4\) \(2016\)](#)

Optional Student Data Collection—

Beginning with the 2017-18 school year, the District may collect optional student data into a cumulative record only if it:

1. Provides, to an individual described in **Student Data Disclosure Statement Recipients**, above, a student data disclosure statement that includes a description of:
 - a. The optional student data to be collected; and
 - b. How the District will use the optional student data; and
2. Obtains a data authorization to collect the optional student data from an individual described in **Student Data Disclosure Statement Recipients**, above.

[Utah Code § 53A-1-1406\(5\) \(2016\)](#)

Student Biometric Identifier and Biometric Information Data Collection—

Beginning with the 2017-18 school year, the District may collect a student's biometric identifier or biometric information into a cumulative record only if the District:

1. Provides, to an individual described in **Student Data Disclosure Statement Recipients**, above, a biometric information disclosure statement that is separate from a student data disclosure statement and which states:
 - a. The biometric identifier or biometric information to be collected;
 - b. The purpose of collecting the biometric identifier or biometric information; and
 - c. How the District will use and store the biometric identifier or biometric information; and
2. Obtains a data authorization to collect the biometric identifier or biometric information from an individual described in **Student Data Disclosure Statement Recipients**, above.
[Utah Code § 53A-1-1406\(6\) \(2016\)](#)

Sharing Student Data—

Beginning with the 2017-18 school year, the District may not share a student's personally identifiable student data except in conformance with the requirements of this policy and with the Family Educational Rights and Privacy Act ("FERPA") and related provisions under [20 U.S.C. §§ 1232\(g\) and 1232\(h\)](#).

[Utah Code § 53A-1-1409 \(2016\)](#)

Requirements for Student Data Manager—

Beginning with the 2017-18 school year, the District will designate a student data manager who shall:

1. Authorize and manage the sharing, outside of the District, of personally identifiable student data from a cumulative record for the District as described in this section; and
2. Act as the primary local point of contact for the state student data officer described in [Utah Code § 53A-1-1403](#).

[Utah Code § 53A-1-1409 \(2016\)](#)

Permitted and Prohibited Sharing of Student Data by Student Data Manager—

A student data manager may share the personally identifiable student data of a student with the student and the student's parent. Otherwise, a student data manager may only share a student's personally identifiable student data from a cumulative record in accordance with federal law or as follows. Such data may be shared with:

1. A school official;
2. An authorized caseworker, in accordance with this policy, or other representative of the Department of Human Services; or
3. A person to whom the District has outsourced a service or function:
 - a. To research the effectiveness of a program's implementation; or
 - b. that the District's employees would typically perform.

A student data manager may share a student's personally identifiable student data from a cumulative record with a caseworker or representative of the Department of Human Services if:

1. The Department of Human Services is:
 - a. legally responsible for the care and protection of the student; or
 - b. providing services to the student; and
2. The student's personally identifiable student data is not shared with a person who is not authorized:
 - a. to address the student's education needs; or
 - b. by the Department of Human Services to receive the student's personally identifiable student data; and

3. The Department of Human Services maintains and protects the student's personally identifiable student data.

A student data manager may share aggregate data.

A student data manager may not share personally identifiable student data for the purpose of external research or evaluation except as follows: If a student data manager receives a request to share data for the purpose of external research or evaluation, the student data manager shall:

1. Submit the request to the District's external research review process; and
2. Fulfill the instructions that result from the review process.

A student data manager may share personally identifiable student data in response to a subpoena issued by a court.

In accordance with State Board of Education rule, a student data manager may share personally identifiable information that is directory information.

[Utah Code § 53A-1-1409 \(2016\)](#)

Third Party Contractors—

The District may provide a third-party contractor with personally identifiable student data received under a contract with the District strictly for the purpose of providing the contracted product or service.

When contracting with a third-party contractor, the District shall require the following provisions in the contract:

1. Requirements and restrictions related to the collection, use, storage, or sharing of student data by the third-party contractor that are necessary for the District to ensure compliance with the provisions of the Student Data Protection Act and State Board of Education rules;
2. A description of a person, or type of person, including an affiliate of the third-party contractor, with whom the third-party contractor may share student data;
3. Provisions that govern requests by the District for the deletion of the student data received by the third-party contractor from the District;
4. Except as provided in this policy and if required by the District, provisions that prohibit the secondary use of personally identifiable student data by the third-party contractor; and
5. An agreement by the third-party contractor that, at the request of the District, the District or its designee may audit the third-party contractor to verify compliance with the contract.

A third-party contractor's use of personally identifiable student data shall be in accordance with [Utah Code §§ 53A-1-1410](#) and [53A-1-1411](#).

[Utah Code § 53A-1-1410 \(2016\)](#)

[Utah Code § 53A-1-1411 \(2016\)](#)

Morgan School District Data Disclosure Statement 2017-18

The collection, use, and sharing of student data has both benefits and risks. Parents and students should learn about these benefits and risks and make choices regarding student data accordingly.

The data collected by MSD includes the following:

- Necessary data: (List those items under the term “necessary data” in 53A-1-1402)
- Optional data: (List those items under the term “optional data” in 53A-1-1402)

The MSD does not collect or use a student’s Social Security Number; or criminal record, except as required in Utah Code 78A-6-112.

The MSD will not share personally identifiable student data without a data authorization, except in conformance with the requirements of its policies, state law, and the Family Education Rights and Privacy Act (FERPA).

Students and parents are responsible for the collection, use, or sharing personally identifiable student data. A student may download, export, transfer, save, or maintain the student’s student data including a document.

MSD will collect, use, and share student data only in accordance with its policy, state law, and FERPA. Specifically, MSD will **collect** student data when students enroll and when students participate in district and state mandated assessments. School officials and teachers may also collect and retain other optional information on a temporary basis for the purpose of recording and managing the students’ educational and behavioral performance.

Student data may be **shared** with the student and the student’s parent and with authorized school personnel including authorized caseworkers or other authorized representatives of the Department of Human Services if the department is legally responsible for the education, care, and protection of the student. The MSD reports aggregate data to the Utah State Board of Education for groups and schools. The MSD may release “directory information” to any individual or organization that files a written request with the Superintendent. Directory information may include a student’s name, address, email address, photograph, date of birth, grade level, participation in officially recognized activities and sports, weight and height of members of athletic teams, enrollment status, dates of attendance, honors and awards received, and the most recent previous school attended by a student. Parents have the right to refuse to permit the district to designate any or all of the information about the student as directory information.

The MSD does not currently share personally identifiable data with third-party contractors. The MSD does not currently grant any requests for the purpose of sharing data for research or evaluation. Student data is stored electronically and follows a student through a public education system. As a part of the MSD Data Governance Plan, the district has a designated Student Data Manager who also serves as the district information technology director.
