

Pineywoods Community Academy
Remote Learning Attendance for 2020-2021
Check in Procedure

PRE K thru Grade 5 students that are participating in Remote Learning Need to Login by 10:00 AM Wednesday, August 12th, 2020. This daily process will follow the PCA School Calendar Monday – Friday. The calendar can be found on our website www.pcacharter.net.

Once logged into their Google Classroom (Grade 3-5), click on the plus + button and enter the code that corresponds to their grade. Once that class is available in the stream they need to type “I’m Here”. This will allow the school to count them present each day.

For Students in PK thru 2, make sure that your student logs into SEESAW through the class invite that was provided for students on Tuesday, August 11, 2020 during remote / school supply drop off.

THIS IS EXTREMELY IMPORTANT! Thank you for your assistance!

If you have problems or need help, email support@pcacharter.net or call (936)-634-5515.
