RE: Governor Abbott lifting executive order
regarding face masks and business occupancy

Dear PCA Family,

Yesterday afternoon Governor Abbott announced he will be lifting the executive order mandating face mask requirements and limiting occupancy in businesses effective March 10, 2021. Pineywoods Community Academy will be reviewing the order and awaiting updated public health guidance from the Texas Education Agency (TEA), Center for Disease Control (CDC), and the Angelina County Health Department.

At this time PCA continues to work with the Angelina County Health Department and TEA's guidance concerning school COVID-19 safety practices. Current guidance includes wearing of masks and frequent hand washing to mitigate the spread of the virus and protect the health and safety of students, staff, families, and at-risk elderly.

We appreciate our parents and staff questions and concerns, and encourage you to email inquiries to COVID19responses@pcacharter.net. A member of PCA will be in contact with you shortly.

Thank you for your continued patience and support as we navigate the ever evolving guidance and updates concerning the safety of students, staff, and community as we deal with COVID-19.

Thank you for being a Timberwolf!

Dr. Ken Vaughn, Director
Pineywoods Community Academy
