

SECONDARY HOMEROOM CLASS CODES

Grade 6-12 students that are participating in Remote Learning Need to Login by 10:00 AM Wednesday, August 12, 2020. This daily process will follow the PCA School Calendar Monday – Friday. The calendar can be found on our website www.pcacharter.net.

Once logged into their Google Homeroom Class, click on the plus + button and enter the code that corresponds to their grade. Once that class is available in the stream they need to type “I’m Here” and/or answer the Question of the Day. This will allow the school to count them present each day.

THIS IS EXTREMELY IMPORTANT! Thank you for your assistance!

If you have problems or need help, email support@pcacharter.net or call (936)-634-5515.
