

PINEYWOODS COMMUNITY ACADEMY

Beginning today, parents can access their child's STAAR results and other resources to support summer learning at home by visiting <http://texasassessment.gov/>.

You need a Unique Access Code to view your students results. To look up your child's UAC go to <https://txparentportal.emetric.net/lookup-access-code>.

STAAR Reports are scheduled to arrive soon and will be mailed out to parents at that time.

The screenshot shows the Texas Assessment Student Portal login interface. At the top, it features the "TEAS ASSESSMENT" logo and navigation links for "FOR FAMILIES", "FOR ADMINISTRATORS & EDUCATORS", and "EN ESPAÑOL". The main heading is "LEARN MORE ABOUT YOUR CHILD'S SCORE". Below this, a message states: "Log in to the secure student portal to learn more about your child's score and how to help improve it." The login form includes a "Unique Student Access Code" field, a "Student's Date of Birth" field with "Month", "Day", and "Year" dropdown menus, and a "LOG IN TO STUDENT PORTAL" button with a lock icon. A "Find My Access Code" link is also present. A cartoon boy character stands in the center. On the right, a video player titled "STUDENT PORTAL OVERVIEW" shows a hand holding a document with a play button overlay. Below the video are "View Transcript" and "Video with Audio Description" links.
