

Start of School 2020-2021

Purpose:

Staff, students, and parents are eager to return to school. After much planning, we believe a safe way to relieve the anxiety of parents of our youngest students is to implement a staggered start. We will be implementing new safety procedures due to COVID-19 concerns. This will allow us an opportunity to acclimate these students to the building and daily school procedures.

Remote Learning

August 12th Students who choose Remote Learning will begin learning remotely and continue for the first 9 weeks.

On-Campus Learning

August 12th - 14th
