

## SYSTEM REQUIREMENTS

System requirements apply to Edmentum's Calvert Learning Courses for grades K-5.

*These requirements are applicable for the 2020-21 school year. Requirements are reviewed and updated yearly.*

### Browser

- Chrome (latest)
- Edge (latest)
- Firefox (latest)
- Safari (latest)

### Bandwidth Requirements\*

- 8 Mbps Upload (as tested by [www.speedtest.net](http://www.speedtest.net))
- 8 Mbps Download (as tested by [www.speedtest.net](http://www.speedtest.net))

\*A user may access courses with a slower network connection, but the user may experience longer load times and some items may time out if the connection is too slow.

### Pop-Up Blockers

### Browser

**We support the following tablet configurations:**

OS	Browser	Version
iOS	Safari	(Latest)

### Adobe Flash Player

Some enrichment content requires the [Adobe Flash Player](#). This content will be converted out of Flash before Adobe Flash Player retires at the end of December 2020. The application will run on iOS and most android tablets, but on these platforms, some enrichment content will not display until the conversion.
