Additional organizational (*i.e. additional spirals, folders*) and/or content specific (*i.e. protractors, project supplies, dual-credit requirements*) supplies may be requested by individual teachers throughout the school year. If you have questions concerning these supplies, please contact your school's Principal directly.

- All additional organizational and content specific supplies must have approval from the Campus Administration or appropriate District Directors (*i.e. Athletic or Fine Arts Director*) before initiating the request. Timelines for purchasing additional supplies should be reasonable (min. 5 days) and will be kept to a minimal expense.
- Brand name, color, size etc. are left to parent discretion.
- Students will not be penalized or rewarded academically for purchasing school supplies.
- Due to increasing applications of technology-based instructional activities, students are encouraged to bring small "ear-bud" type headphones to be used at teacher and principal discretion.
- Students are strongly encouraged to provide a bottle of hand sanitizer (62% alcohol content or greater), disinfecting wipes, and a reusable mask to ensure daily availability (if their preference is to wear one).
