Focus for Student Success

What is a Family-School Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the campus improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parent can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

District Goals

Every campus will provide engaging, relevant, and meaningful learning experiences that foster AISD's vision to develop thinkers, collaborators and contributors.

Jointly Developed

The parents, students and staff of Allen 6th Grade Campus developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute
comments at any time.

If you would like to volunteer, participate and/or observe in the classroom, please contact: Cheryl Waldrop at cheryl.waldrop@amaisd.org or call 326-3781.
