

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the campus improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parent can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Pleasant Valley Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

If you would like to volunteer, participate and/or observe in the classroom, please contact our office at 806-326-5000.

Thank you!

Our Goals for Student Achievement

District Goals

AISD will provide engaging, relevant, and meaningful learning experiences that foster AISD's vision to develop thinkers, communicators, collaborators and contributors.

School Goals

- Provide a quality, challenging curriculum to all students with a differentiated delivery system to ensure 90% of all students pass every portion of the state assessments by June 2021.
- Provide a safe, healthy environment for students while emphasizing attendance and positive behavior as integral to student success.
- Will participate in research-based professional learning opportunities that support learning and promote student achievement.
- Will maintain technology to advance the achievement and skills of the students as 21st century learners.

Teachers, Parents, Students – Together for Success

At School

Pleasant Valley will:

- Teach the TEKS in a supportive environment
- Set high expectations for all students' learning and behavior
- Communicate with parents and students about progress, behavior and school activities

At Home

- Understand that grades are the responsibility of my child's academic progress
- Be supportive of my child, the school and staff
- Encourage and participate reading and practicing math at home with their student
- Participate in school activities and field trips
- Participate in after school events and programs
- Adhere to the attendance policies in the online school handbook or hard copy by request
- Keep an open line of communication with the teacher

Students

- Come to school on time
- Have good attendance
- Respect school staff and other students
- Take care of school property
- Follow the District Dress Code and Code of Conduct
- Read daily to strengthen all academics
